at Mr. Moffat's office, 367 Broadway, and receive a copy of the Good Samaritan, published gratuitously. The following letters are lately selected from a vary large number which Mr. Moffat has lately received from different parts of the United States :

Mr. Moffat.-Dear Sir :-- It is with sincere pleasure that I venture to address you, to thank you for the benefit I have received from your med cines. My complaint was salt rheum, for which I have tried all the medicines which were advertised in the hawspapers. I, however, received no relief from any of them. Since I was shown your Good Samaritan, which induced me to try yo r medi-cine. When I applied to you, my legs and arms were so had that they looked like raw beef, and rese covered with sores ; but after taking a 25 cen box of your pills, the dead skin began to scale off, and so continued until I was entirely cured. It is now four months since I was cured, and I have had no return of the complaint. I have recommende your medicine to several persons, and should advise full afflicted with the salt rhoun to try it. Respect fully, your obedient servant, M. CLEOVER, 18th, st. between 5th and Jackson Avenues

Lawrence, N. Y., May 23.

Mr. Moffet- Dear Sir : 1 was troubled with the piles for deveral years. I applied to the most emi-cent Physicians without relief. A friend of mine Mr. Clarke, who had received great relief from them recommended me to use your Life Pills. Though was suffering very severely with them at the time, I experienced relief in 45 hours, and in a few weeks was not troubled with them at all and I have been free from distress ever since and have great pleas. ure in recommending them to those afflicted in a similar manuer.

Respectfully, JOSEPH E. SPERNS. New York, April 1838.

Dr. Moffet-Sir: Since your Life Medicines have been introduced in this neighborhood, they have dong wonders. I will merely state a few cases. The wife of my neighbor, Mr. Cornelius S. Roe. who was supposed to be in a decline for the last two years, after taking two bottles of the Phœnix Bitters one box of the Life Pills, says she had her health entirely restored.

Mr. Malo B. Root, my next door neighbor, wh was laid up with inflamatory rheumatism, by tak-ing two bottles of the Bitters and one 25 cent box of the Pills, told me he was as well as he ever was, and told a gentleman in my store who was afflicted, that as soon as he would take the Pills and Bitters

just as soon he would be a well man. Also, Mrs. Hordu, wite of Johr Hordu, was two years since taken sick, and often had fits, and lost the use of one of her arms. In six weeks after tak-

the use of one of her arms. In six weeks after tak-ing your Pills and Bitters, so far recovered that she has been on a visit to one of her neighbors. As for myself, I have been in bad health for 27 years, and though I am not now in perfect health, still I am in better than I have been for ten years past, which I believe to be the consequence of ta king your Pills and Bitters. The above is a true statement of a few of the many cases which have come under my observation. You are at liberty to publish this letter, and reference can be had to me a Postmaster at Claverrock, Columbia Co., Y.

With respect J. A. VAN VALKENURG. New York, April 1, 1838.

New York, April 1, 1838, Mr. W. Moffat-Sir: I have been afflicted with the fever and ague about three months, and used a good deal of quinine, which did me no good, but I still grew weaker and weaker urtil 1 was recom-mended to try your Life Pills and Phœniz Bitters and after taking two boxes and two bottles of bitters I aim very thankful to inform you and the public at large, I consider myself completely cured.
