750. DR. WM. EVANS. - Dear Sir : It is with pleasure I take this opportunity of returning you my sincers thanks for the benefit of your invaluable medicine, the Camounts Pills, Having been afflicted for several years with dispepara, my very being became almost loathsome to me. I suf fered severe pains in the side, was afflicted with fainting spells, great debility, want of appetite, ina taining spelin, great debility, want of appetite, ina billity to rest at night, frequent sickness, and in short all the symptoms of that distressing disease. I hadtried several skilful physicians, but with no success, my imberility of mind and body gradually increased, still I strictly abstained from using any of the postroms and 'certain remedies' with which our newspapers daily abound, and for which I enter-tained a horror and contempt. At length through carnest entreaty of my friends, and especially my wife, I with great reluctance consented to try your celebrated pills. The effect was wonderful, and as tonished even my most sanguine friends. I had used them but a short time before I rapidly recovered, and I now enjoy excellent health, to which I have been a stranger for more than two years. I cannol sufficiently express my heartfelt gratitude to you for the advantage I derived from your medicines, and I carnestly and concientiously recom-mend all suffering under similar complaints to use your CAMOMILE PILLS. Although with some diffidence. I cheerfully desire that you publish this

testimony, if you see proper, and remain
