And bring my Orra to my eyes. Oh, were I sure my dear to view, I'd climb the pine tree's topmost bough, Aloft in air that quivering plays, And round and round forever gaze.

My Orra Moor, where art the late! ? What woud conceals my sleeping maid . Up by the roots corag'd I'll tear, . The trees that hide my promi 'd fair.

O could Ifride on clouds and skies, Or on the raven's pintons rise: !
Tye storks, ye swans, a moment stay, And wast a lover on his way.

My bliss too long my pride denies, Apace the was ing summer fl to . Not yet the wintry blasts I tear,

Storms nor nights whill keep in here. What may for strength with sixed compart. Oh, love has stronger fetters far:
By builts of steel are limbs out -p.

But cruel love emphates the mind. No more shall doubts harass my breast, When it oughts peoplex, the first or hear, "Tie had to go - its death to stay, Away to Orra, have away.

Its action upon the system revery general, no part rescapping 18 influence it is, however, u, on the section reconstitution in the state of the stat he constitution.

The proprietors no not count for theoretsality of that it will cure all diseases, nor on its introduction into a family, should the planeaus be dismissed; no, they would addise all to have a tamely physician, and the more experienced and sometime the better, they do claim, however, that a timela resent to this mean may in a great many instances have the expense and trouble of calling the aid of such by setan, it being expanded of producing the effect desires in the primary stages of a majority of discusses incident to this country. In many long standing, or caronic discusses, such as the conditioned ulcers, and the various diseases of the skin. The proprietors an aut Count for teneversality i e conditioned ulcers, and the virious diseases of the skin's it may be taken by persons of common judgement with-

Not only are fainties advised to ado this a family sedicine, but these who are labouring and r di case has reliable has failed to remove those who have seen that ralimed has failed to remove those who wave seen and felt the deleterious effects of, as well as those who esteem calonic to be the to at of all menumes, and those too, who have tried "every thing," (from the beasted too, who have tried "every thing," (from the beasted too). publing, but by way of attroduction in those places where it has not been known, it is deem if proper to show what is said of it where it has been known the pasticear. The following editorial articles and extracts from let-eters by physicians, and others are given to that purpose

The following teen educated from the Cincinnati Tel regraph, edited by Bishop Parceil "Extract of Tomain a substitute for Caloniel"—The injurious and frequently destructive consequences that there often resulted to the human frame from the new fibers of the first of the fibers there often resulted to the human frame from the necessity of having recourse to a drug of so powerful, and re the same time, of so deterrous a nature as cidionel, and use a to welcome the amound countries and what is combined stated to be, in most cases an effect usly substante for it, which, while a possesses, if not plit, ual substance for it, which, where a possesses, it and given best a great postron of its good qualities is free from its most observiousle nocs. Every discovers in these states of the vegeta lie kingdom must have its instancy, and state nerted of probation. We are inclined to those this will stand the test of securiors, and be a most describe. acquisition to the world, and ourrections to the people of this country. We have held it highly stoken of and we believe the result of every investigation of its usefulness, yet made, has been lavorable.

The proprietors of the Con, sound Extract of Tomato make no secret of its composition, but revisit it to every medidal man who desires to know if

Cincinnatii, January 6th, 1838. Dear Str. - I have need your Compound Extract of Tomato during the past summer and fail, and have no hesitation in believing at has saved me seviral medical bills. Four of my timey during that period medical bills. Four of my fully state period were indeposed, and exhibited the usual syn, tones of a bilious attack. They were in every instance releved by the use of your Tomato pills. I consider them a valuable Prepergiations, well known and generated for the many unprecedented and ast on-houses they as efficacione as calomel in correcting a believe as efficacione as calomel in correcting a believe that the many unprecedented and ast on-houses they have effected in Dr-pepsia, Norwins, Bilious and A have used them myself with great benefit INVAL BURNETT

The following is from Robert Punchen, Esq. who has made the science of medicine his particular study

Concumulti, February, 1st. 1838.

DR MILES.

Dear Sir.—It is with much pleasure that I bear testimony to the efficacy of the Thundo pills in affections of the liver-from its operation which I have witnessed in my own case. I am ready to conclude that you have discovered the legal to the different production. ray own case, I am ready to consideration, a substitute for calomel in diseases of the liver. Accept, sir, my grateful acknowledgments. Your ottedient servant, Robert Perchos

Lanctenceburgh, January 20th, 1838.

say, that it is in ALL cases a smooth to interesting medicines, yet his striking analogy in its the spirit effects is such as to recommend a favorably to my mind as an adjustant in most instances to the exhibition of eal nmed, and where an immediate or seeds abundance-fect is not indispensible it may supersistent use adopt the pulce against mercurial remedies existed. I have pre-scribed it with very good effect.

I am gentlemen, respectfully yours. Act 2 H Browgs, M D The following is a voluntary statemen: triade by a highly respectable and scientific Physician, and appeared in the "Jeffersonville Courier," list winter.—
MILES: EXPRICT OF TOM VID.— Valestitute. POR CALOMEL—Having mad 2 a trial of the above art is cle, I feed was ranted in recommencing it as a sistent med acine. The pills possess all the pure rive side acu-bitous properties of calomel, without at vof its repirious tendencies. Persons who are addicted to habitual for-

tendencies. Persons who are addicted to habitual forpor of the liver, and consequent accombinations of bileand who have been compelled to have resource to the
different preparations of mercury for reheff will find
Miles' Pills, a safe and convenient substitute.
