A N UNDENIALE FACT.—Health is the source of Happiness.—Disease is the effect of some irregularity in the natural or healthy functions. Man produces great ends by multiplied and extraordinary measures, but nature accomplished her works by few and simple me ns. In the cure of all human maladies, the relief of irritation is the great object of medicine, the office of the physician, is to deliver his patient from all that is noxious and debilitating, so that the constitution or nature will be enabled to perfect the work of restoration. Here we would commend the administration of a remedy calculated to tuifit the prooding inflication, which I believe we may justive say of Dr. Win. Evans' celchrated Camomile Courc and Family Aperient Pills See the many undentable tests of their astonishing

efficacy in aiding nature to subvert disease.

Mr. Milo B. Also, Mrs., Hordu, wife of John Hordu, was two years since taken sick, and often had fits, and lost the use of one of her arms. In six weeks after taking your Pills and Bitters, so far recovered that she has been on a visit to one of her neighbors.

As for myself, I have been in Johd health for 27 years, and though I am not now in perfect health, still I am in better than I have been for ten years past, which I beliave to be the consequence of taking your Pills and Bitters. To the World.

F you wish to make use of Sarsaparilla, be advised to try DR LEIDY'S MEDICATED EXTRACT OF SARSAPARILLA.— It is positively the strongest preparation in existence, one bottle of it (which costs but one dollar) being equal to one gallon of Syrup, as it is annually prepared in the shops, and equal to two bottle; of any other extract. Dr. Leidy begs leave to state this he himself prepares it, and can consequently vouch for its strength. Numerous Physicians throughout the United States, give it the preference over all other prepations of Sarsaparilla, both from the fact of its superior strength (consequently efficacious when employed) and from the circumstance of its being prepared by a regular Apothecary and Physician, attested by Drs. Physic, Chapman. Jackson, Horner, Gibson, Dewees, James, Coxe, &c. &c.

Apotuce of the house of the blood, it is useless here to name the numerous affections wherein Sarsaparilla in considered the sole specific.—

Suffice it to say, it is recommended by all Physicians throughout the world, in diseases of the Skin, Bones Liver &c., and particularly all diseases produced by impurities of the blood and animal fluids. As a putifier of the blood, it is at all times (and particularly in the Spring and Fall) invaluable. In warm chimates, throughout the Summer Season, no person should neglect using it occasionally. Numerous certificates and recommendations from Physicians, and others accompany the directions.
