PHILADELPHIX, Saturday, Nov. 81 1837, Dt. WM. EVNS.—Dear Sir: It is with pleasure I take this opportunity of returning you my sincere tranks for the benefit of your invaluable medicine, the Camonile Pilos. Having been afflicted for several years with disp psia, my very being became almost lotthcone to me. I suffered severe pains in the side, was, afflicted with fainting spells, great debility, want of appetite, ina bility to rest at night, frequent sickness, and in short all the symptoms of that distressing disease. I had tried several-killul physicians, but with no success my imberdity of mind and body gradually increas ed still I strictly abstanced from using any of the nostrums and 'certain remedies' with which our newspapers daily) abound; and for winch I enter tained a horror and contempt. At length through earnest entreaty of my friends, and especially my wife, I with great reluctance consented to try your celebrated tills. Thereffect was wonderful, and as tonished even my most sanguing friends. I had used them but a short time before I rapidly recovered, and know enjoy excellent health, to which I have been a stranger for more than two years. I cannot sumeiently express my he criteli graphude t you for the advantage I derived from your meditimes, and I carnestly and concumuously recom-mend all suffering under similar complaints to use your C MOMILE PILLS. Although with some liftidence. I encertuily desire that you publish this estimony, if you see proper, and remain
