ITALIAN SERENADE. Oh! touch the chords lightly, For sweetly she slumber And round her play's brightly A vision of wonders.

For her dreams are purer Than the dew drop of even, And angels now lure her

To the blue of their heaven. The wind's gentle breathing Disturbs not her repose,
Whilst the wild flowers waving With the dewy gemm'd rose, Their sweets are distilling, And the soft summer air With fragrance is filling, And waves over her there.

Sleep on, then, my bright one, For bove thee is beaming The eve-star whose beauty Shall gild thy young dreaming-Then touch the chords lightly, For sweetly she slumbers, And round her plays I rightly A vision o worde s.

The celebrated substitute for CALOMEL.

THE proprietors of this article, having devoted nearney, in experimenting upon the various species of Tomuto, (Solanum Lycopercicum) have at last sur the Tomato, (Solamin Lyoperton) and the exceeded in obtaining from that vesciable a principle which as a medicine possesses all the beneficial properties of calumel, and yet incursible of producing the delevious effects sometimes resulting from the use of that drug. This principle because is a mild and efficient cathartic, and, as compounded, a so acts as a toxic discretic, and diaphorite. See directions accompanying

manifested (from this it was be seen in narre a time effect upon the bilinary organs, and to be particularly and dapted to the treatment of bilinary teres and other dust eases where a to-publiq or copy do n of the liter and portal circle prevail; thence the great success that has attended its administration in liter the choice shyspepsis and diseases of the stona h and h arts generally. Be-

attended its administration in their discretions syspepsisand diseases of the storage hand having generally. Being diffusible in its operation it produces a free circulartion in the vessels on the surface of the body, accompanied by a gentie perspiration. It does not exhiust like drastic putges; still its action is more universal, and it may be obten received not merely with safety. but with great beacht; this becomes indispensibly ne-cessary in cases of long standing for in them intense tem, orary impressions made by string medicines sel-dom, if ever, do good, and tend to injure the stamina of

Its claims The proprietors do not claim for tuniversality is The proprietors do not claim for a universality is each that it with care all diseases; nor, on its introduction in a family, should the phagas and no dismissed; ho, they would advise all to have a tandly physician, and the more experienced and seven in the bester; they do claim, however, that a timely resort to this fredictine may in a great many instances save the expense and trouble of calling the aid of such physician, it being capable of producing the effect desire an the primary stages of a majority of diseases incident to this country in many long standing, or chronic diseases such as ill conditioned ulcers, and the various diseases of the skin, it has be taken by persons of common judgement with-

things be taken by persons of common judgement without medical advice.

Persons advised to give it a trial. Not only are families advised to ado, this as a family medicine, but those who are labouring under disease that call and has failed to remove, those who have seen and felt the deleterious effects of, as well as those who too, who have tried "every thing, from the bersted cure all nosteums purporting to have emanated from great foreign colleges or sucreties, down to humble quack medicine of Dr. A. B. C. to Z 'all are invited to try this simple American article. It is not the intention of the and others are given for that purpose

The following is an editorial from the Cincinnati Telegraph, edited by Beshop Purcell "Extractof Tomato, a substitute for Calomel"—The injurious and frequently destructive consequences that have often resulted to the human frame from the ne have often resulted to the human frame from the ne-cessity of having recourse to a drug of 80 powerful, and re the same time, of so decelerous a nature, as calonel, induce a to welcome the annous coment of a safe, and what is confidently stated to be, in most cases, an effect to ual substitute for it, which, while it possesses, if not all, ual substitute for it, which, while it possesses, if not all, at least a great portion of its good qualities, is free from its most objectionable ones. Every discovery in the virtues of the vegetable kingdom must have its infancy, and its period of probation. We are inclined to think this will spind the test of scrittiny, and be a most desirable acquisition to the world, and particularly, to the people of this country. We have heard it highly spoken of, and we believe the result of every investigation of its usefulness, yet made, has been lavorable.

The proprietors of the Compound Extract of Tomato no secret of its composition, but reveal it to every nedidal man who desires to know it."

Dr. Milles Dear Nir. - * * * * * * 1 have used your Compound Extract of Tomato during the post summer and fall, and have no heatation in believing at has saved me several medical bills. Four of instrumy during that period were indisposed, and exhibited the usual symptoms of a

Cincinnatti, February, 1st. 1838. Dear Sir.—It is with muck pleasure that I bear tes-timony to the efficacy of the Tomato pills in affections of the liver? from its operation which I have witnessed in my own case, I am ready to conclude that you have discovered the long looked for desideration, a substitute for calonel in diseases of the liver. Accept, sir, my-grateful acknowledgments. Your obedient aervant. ROBERT PUNCHON.

The following is extracted from a letter of a highly-re spectable physician to friends of his in:Cincinnati, who had solicited his opinion as to the virtues of this medicine Lawrenceburgh. Junuary 20th, 1838.

MESSES. PECK & Co. My II.

Grantemen. * * I have used the article (Miles Combound Extract of Tonato somewhat extensively in prescription for some months past, in many of the almost numberless mainlistations of because derangement particularly in infantile cases, and although I cannot say, that it is in all, cases a substitute for sign arisin medicines, yet the striking analogy in its therapatic effects is such as to recommend it have able to the exhibition of calmod, and where an immediate or speedy alternative effect is not indepensible, it may supersedents use altogether. In several instances to which an antino by or prejudice against mercurial remedies existed. I have presented it with very good effect.
