Mr. Nicholas Harris, sen., one of the Deacons of the first Baptist Church, in Phiadelphia has been perfectly curd by it—after having suffered for SIXTY YEARS with Coughs, Ashma, and spitting of Blood, which no remedy before could relieve.

The Rev. C. C. P. Crosby, writes as follows:

NEW YORK, June 15, 1839.

To Da. Jayne.—Dear Sir: I have made use of your Expectorant, personally and in my family, for the last six years with great benefit. Indeed I may consider my life prolonged by the use of this valuable medicine, ander the blessing of God, for several years. I may say almost as much in the case of my wife, and also of the Rev. Mr. Tinson, of the Island of Jamaics. For all cases of cough, inflammation of the chest lungs, and throat, I do most unbestatingly frecommend this as the best medicine I have ever tried. My earnest wish is that others afflicted as I have been, may experience the same relief, which f am persuaded they will, by using your Expectorant.

THE Trustees of this Institution, respectfully inform their neighbors and the public generally that the Academy is now open for the reception of Pupils from all parts of the country. Its situation is one of the most healthful and is one of the most neathful and pleasant to the state—there is nothing within its vicinity to draw youth from the path of Morality—every thing is calculated to entice Pupils from abroad

The principle instructor is Mr. P. B. CARTER, late of Dickinson College, and they feel assured that he may be able to give general satisfaction to those who may be disposed to patronize the Institution.— In consequence of receiving the state sinuity, the price of Tuition has been much reduced, and no pains have been spared in providing every thing. which may add to the comfort and advance

The course of study and the plan of instruction, are the same with those of the older Academies of our state; but studies immediately connected with the business of life, and the intercourse of society will constitute a prominent department.

Ballimore, March 27, 1833.

Ba. Jayne—Dear Sir: You ask me what proof I meet with of the efficacy of your medicine. I can safely say that I never prescribed any medicine for Bowel Complaint that had given me so mide satisfaction, and my patients so speedy and perfect relief as this. Whenever introduced into a family, it becomes a standing remedy for those ailments, and is called for again and again, which I think a pretty good proof of its efficacy and usefulness. In the Summer Complaint of Children it has frequently appeared to snatch the little victims, as it were, from the grave. "It saved the life of my child, and were, from the grate. "It saved the life of my child, and of such and such a child," I have repeatedly heard said. In dysinteric affections of adults, I have time and again In dysinteric mections of sourts, I have time and again seen it act like a charm, and give permanet t reliet in a few hours, I may say in a few minutes. In fine, it is a valuable medicine, and no family should be without it. Respectfully. M. L. KNAPP, M. D. From Dr. Win. Steeling, Physician to the Cumberland

N. J., Almshouse.

This is to certify that I have used Dr Jayne's Carmin ative Balsam very extensively in Bowel Complaints, and have not the least hesuation in dealaring it superior to any preparation I have met with for the relief of those

diseases.
