I had tried several skilful physicians, but with no success, my imbecility of mind and body gradually increased, still I strictly abstained from using any of the nestrous and 'certain remedies' with which our newspapets daily abound, and for which through estated a borror and contempt. Attempth through estated catreaty of my friends, and especially my wife! I with great reluctance consented in try your wife, I with great reluctance consented to try your celebrated uils. The effect was wonderful, and as tonished even my most sanguine friends. I had used them but a short time before I rapidly recovered, and I now enjoy excellent health, to which I have been a stranger for more than two years. I cannot sufficiently express my heartfelt gratitude to you for the advantage I derived from your mediyour for the available Fuer to the first form of the commendal suffering under similar complaints to use your C MOMILE PILLS. & Although with some diffidence. In the cure of all human maladies, the relief of trritation is the great object of medicine, the office of the physician, to deliver his patient from all that is now dobilitating so that the constitution or nature will be busbled to perfect the work of restoration. Dr. Wn. Evans-Bear Sir .- I can perer b grateful enough for the cure I have received by the use of your invaluable medicine (CAMOMILE FILLS.) At last my physician gave me up; but fortunately one day as I was speaking to a friend on the subject, he told me that Dr. Wm. To the World.

If you wish to make use of Sarsaparilla, be advised to Iry DR LEIDY'S MEDICATED EXTRACT OF SARSAPARILLA. It is positively the strongest preparation in existence, one bottle of it (which costs but one dollar) being equal to one gallon of Syrup, as it is usually prepared in the shops, and equal to two bottle; of any other extract. Dr. Leidy begs leave to state this he himself prepares it, and can consequently vouch for its strength. Numerous Physicians throughout the United States, give it the preference over all other preparations of Sarsaparilla, both from the fact of its superior strength (consequently efficacious when employed) and from the circumstance of its being prepared by a regular Apothecary and Physician, affested by Drs. Physic, Chapman, Jackson, Horner, Gibson, Dewees, James, Coxe, &c. &c. To the World.

Chapman. Jackson, Horner, Gibson, Dewens, Coxe, &c. &c.

It is useless here to name the numerous affections wherein Sarsaparilla is considered the sole apecific.—
Suffice it to say, it is recommended by all Physicians throughout the world, in diseases of the Skin. Bones Liver of the blood and animal fluids. As a purifier of the blood and animal fluids. As a purifier of the blood, it is at all times (and particularly in the Spring and Fall) invaluable. In warm climates, throughout the Summer Season, no person should neglect using it occasionally.
