To the World.

If you wish to make use of Sarsaparilla, be advised to try DR LEIDY'S MEDICATED EXTRACT OF SARSAPARILLA.—It is positively the strongest preparation in existence, one houte of it (which costs but one dollar) being equal to one gallon of Syrup, as it is usually prepared in the shops, and equal to two bottles of any other extract. Dr. Leidy begs leave to state this he himself prepares it, and can consequently vouch for its strength. Numerous Physicians throughout the United States, give it the preference over all other prepations of Sarsaparilla, both from the fact of its superior strength (consequently efficacious when employed) and from the circumstance of its being prepared by a regular Apothecary and Physician, attested by Drs. Physic, Chaptman, Jackson, Horner, Gibson, Dewees, James, Caze, &c. &c.

Core, &c. &c.

It is useless here to name the numerous affections wherein Narsapanila is considered the sole specific.—
Suffice it to say, it is recommended by all Physicians throughout the world in diseases of the Skin, Bones Liver &c. and particularly all diseases produced by impurities of the blood and animal fluids. As a purifier of the blood, it is at all times (aud particularly in the Spring and Fall) invaluable. In warm-climates, throughout the Summer Season, no person should neglect using it occasionally. Numerous certificates and recommendations from Physicians, and others accompany the directions.

A N. UNDENIALE FACT.—Health is the source of Happiness.—Disease is the effect of ome irregularity in the natural or healthy func ions. Man produces great ends by multiplied and extraordinary measures; but nature accomplished her works by few and simple me as. In the cure of all human maladies, the relief of irritation is the great object of medicine, the office of the physician, is to deliver his patient from all that is noxious and debilitating, so that the constitution or nature will e enabled to perfect the work of restoration. Here we would commend the administration of a remedy calculated to fulfit the preceding indication, which I believe we may justly say of Dr. Wm. Evans' cal-abrated Comminile Tonic and Family Aperient Pills' See the many underiable tests of their astonishing efficacy in aiding nature to subvert disease.

The office for the sale of Dr. Wm. Evans, Vegetable Preperations, well known and celebrated for the many unprecedented and astonish cures they have effected in Dyspensia, Nervous, Bilio. k and Consumptive diseases, is at No. 19th, north 8th street, pposite Filbert street, Philadelphia.
