DR. LEIDY'S BDOODPILLES,

A component part of which is Sarsaparilla, and known to be the most effectual and thorough purifier of the blood and animal fluids ever discovered. As a gentle or active purgative, they are equally efficacious—whilst taking them no change of diet or restraint from occupation is necessary. They may be taken at all times and under all circumstances—they will not reduge or weaken the system by their effect as most purgatives do—much comment upon their virtues is unnecessary—their reputation is well established, numerous proofs of their efficacy having been published at different times. Suffices it to ray that in addition to their efficacy in diseases of the stomach, liver, intestines, &c., they are the only pills in existence that cleanes and purify the blood and animals foids, removing all noxious and diseased humors theire—som, and thereby removing all eruptions from the skin—dry and watery pumples from the face, neck and body, tetter, rash, or breaking out of the skin, and all cutane-cious affections whatever. DR. LEIDY'S BOOOD PILLES,

They are prepared from vegetable extracts, (warranted free from mercury and the minerals) and by a regular physician, attested by Drs. Physic, Horner, Gibson.
