APPEARANCES.

Think not because the eyes are bright and smiles
are laughing there,
The heart that beats within is light and free from
pain and care;
As blush may tinge the darkest cloud ere Sol's last
rays depart,
And underneath the sunniest smile may lurk the
saddest heart.

Mirth's sudden gleam may light the cheek, though
joy be far away,
As blossoms oft adorn the trees that's hastening to
decay:
It is but as the varying hue of April's wayward
hours—
A sunbeam bursting brightly through, when all be-
hind are showers.

For there are pangs the sorrowing heart will oft in
darkness shroud,
That lurks within the lonely depths like lightning
within the cloud:
As falls our shadow on the path, when bright the
sunbeams glare,
Whichever way our thoughts are turned that dark-
some shape is there.

Though brightly o'er the hollow cheek, the smile
the laugh may break,
Like bubbles bursting on the breast of Acheron's
dark lake;
They are but outward signs to hide the deadly pangs
we feel,
As o'er the lone and mouldering tower the rose is
taught to steal.

Dr. Jayn's Expectorant.

WE considerit a duty to call public attention to this admirable preparation for Pulmonary Diseases—especially *Coughs, Colds, Consumption, Spitting Blood, Asthma, Bronchial Affections, Whooping Cough, &c.* It is used and very highly approved by persons of the first respectability, but we feel confident in saying that a trial of its efficacy will be its best recommendation.

Dr. Jonathan Going, President of Granville College, Ohio, (late of New York) in a letter to Dr. Jayne, dated New York, December, 1836, says—"He was laboring under a severe cold, cough and hoarseness, and that his difficulty of breathing was so great that he felt himself in imminent danger of immediate suffocation, but was perfectly cured by using this Expectorant." Mrs Delks, of Salem, New Jersey, was cured of Asthma, of twenty years standing, by using two bottles of this medicine. Mrs. Ward, also of Salem, was cured of the same complaint by one bottle. A young lady, also of Salem, who was believed by her friends to be far gone with consumption was perfectly restored by three bottles. Dr. Hamilton, of St. James South Carolina, was greatly affected by a cough, hoarseness, and soreness of the lungs, and on using a bottle of this medicine found permanent relief.

Mr. Nicholas Harris, sen., one of the Deacons of the first Baptist Church, in Philadelphia has been perfectly cured by it—after having suffered for SIXTY YEARS with *Coughs, Asthma,* and *spitting of Blood,* which no remedy before could relieve.

The Rev. C. C. P Crosby, writes as follows:

NEW YORK, June 15, 1839.

To DR. JAYNE—Dear Sir: I have made use of your Expectorant, personally and in my family, for the last six years with great benefit. Indeed I may consider my life prolonged by the use of this valuable medicine, under the blessing of God, for several years. I may say almost as much in the case of my wife, and also of the Rev. Mr. Tinson, of the Island of Jamaica. For all cases of cough, inflammation of the chest, lungs, and throat, I do most unhesitatingly recommend this as the best medicine I have ever tried. My earnest wish is that others afflicted as I have been, may experience the same relief, which I am persuaded they will, by using your Expectorant. C. C. P. CROSBY.

The following certificate is from a practising PHYSICIAN and a much respected *Clergyman* of the Methodist society, dated Modest Town, Va, August 2, 1838.

Dr. Jayne—Dear Sir: I have been using your Expectorant extensively in my practice for the last three months and for all attacks of Colds, Coughs, *Inflammation of the Lungs, Consumption, Asthma, Pains and Weakness of the Breast,* it is decidedly the best medicine I have ever tried, Very respectfully yours,

R. W. WILLIAMS, M. D.

This EXPECTORANT never fails to cure *Asthma* or relieve a *Cough.* Price $1.

Prepared only by Dr. D Jayne, No. South 3d street, Philadelphia, and may be had of G W. Oakley, Reading, C. Leisenring, Mauch Chunk, D Walker, Port Clinton, Wm. T Epting and Clemens & Parvin, Pottsville, where may also be had JAYNE'S SANATIVE PILLS, CARMINATIVE BALSAM, and TONIC VERMIFUGE.

Pills! Pills!

THE safest, the best, most efficacious and truly vegetable Pills in existence are

DR. LEIDY'S BLOOD PILLS.

A component part of which is Sarsaparilla, and known to be the most effectual and thorough purifier of the blood and animal fluids ever discovered. As a gentle or active purgative, they are equally efficacious—whilst taking them no change of diet or restraint from occupation is necessary. They may be taken at all times and under all circumstances—they will not reduce or weaken the system by their effect as most purgatives do—much comment upon their virtues is unnecessary—their reputation is well established, numerous proofs of their efficacy having been published at different times. Suffice it to say that in addition to their efficacy in diseases of the stomach, liver, intestines, &c., they are the only pills in existence that cleanse and purify the blood and animal juids, removing all noxious and diseased humors therefrom, and thereby removing all eruptions from the skin—dry and watery pimples from the face, neck and body, tetter, rash, or breaking out of the skin, and all cutaneous affections whatever.

They are prepared from vegetable extracts, (warranted free from mercury and the minerals) and by a regular physician, attested by Drs. Physic, Horner, Gibson, Jackson, James, Dewees, Hare, Coxe, &c. Besides numerous other physicians throughout the United States, who daily employ them in their practice, administering them to their patients in preference to all other purgatives, and in preference to all other preparations of Sarsaparilla, in consequence of their possessing the combined effects of correcting the diseased humors of the blood and fluids, and by their purgative properties, removing or carrying off the same from the system, without producing the slightest inconvenience, or requiring restrictions, &c.

Numerous testimonials, certificates and recommendations of those Pills, from physicians and others, accompany the directions with each box. Dr. N. B. Leidy's signature accompanies the genuine on two sides of each box on a yellow label.

Price Twenty-five cents a Box.

Please read the following letter.

DARLINGTON, Beaver County, Pa.
February, 1839

DEAR SIR—I feel it due to you as the inventor of the medicine and to the public, who may be greatly benefited by it, to state a cure that was performed in my family by the use of your "Carminative Balsam."

My little son, when about two months old, was seized with a *bowel complaint,* caused as I suppose, by a change of diet. It continued for two weeks without intermission. It continued two weeks without intermission, and notwithstanding the remedies prescribed by a respectable physician, we gave up the child a victim, as we supposed, to a fatal disease, but I providentially heard of "Jayne's Carminative," as an effectual cure for bowel complaint, and immediately despatched a messenger to a town seventeen miles off for a bottle. By the use of this medicine, in less than thirty-six hours the disease was checked; and by its continued use for a few days the child was restored to perfect health. Shortly after this, there occurred a similar case in one of the families of my congregation. I prescribed "Jayne's Carminative," and the result was a speedy cure. From a knowledge of the efficacy of your medicine in bowel complaint, a disease to which children are constantly liable, I have obtained and keep constantly in the house a quantity of the "Carminative."

The same child, owing to exposure, when recently coming up the Ohio, was attacked by that horrible malady CROUP: we landed in the night at Beaver Point, and when our fears were alarmed lest the hoarse sepulchral cough, was the forerunner of death, we gave him a tea spoon full of the "*Expectorant.*" (a bottle of which you presented me with when in Philadelphia) and applied some liniament to the throat and breast, and before many minutes the hoarseness was gone, the child breathed freely and slept sweetly. Owing to these circumstances it cannot be wondered at why I have so high an opinion of Dr Jayne's medicine, and why I advise every family to keep one on hand ready for any emergency.

Respectfully yours,
ARTHUR B. BRADFORD,
Pastor of the Presbyterian Church, Darlington, Pa.

Dr D. Jayne.

Moffat's Life Pills and Phœnix Bitters.

WHO WANTS BETTER EVIDENCE?—I would refer the reading public to the numerous voluntary letters published recently in this paper and in the Good Samaritan relative to the happy and beneficial effects of the administration of

MOFFAT'S LIFE PILLS AND PHŒNIX BITTERS

Those who have perused the letters above referred to will observe that in almost every case they attest the fact, that no inconvenience of any sort attends the taking of these medicines, in ordinary cases, but that the patient, without feeling their operation, is universally left in a stronger and better state of health than was experienced previous to being afflicted with disease; and in all cases of acute suffering, great relief is obtained in a few hour; and a cure is generally effected in two or three days.

In cases of FEVER of every description, and all bilious affections, it is unnecessary for me to say aught, as I believe the LIFE MEDICINES are now universally admitted to be the most speedy and effectual cure extant in all diseases of that class.

The LIFE MEDICINES are also a most excellent relief in all cases of the Liver and Bowels, as has been proved in hundreds of cases where patients have come forward and requested that their experience in taking them might be published for the benefit of others. In their operation in such cases, they restore the tone of the Stomach, strengthen the digestive organs, and invigorate the general functions of the whole body, and thus become to both sexes (for they are perfectly adapted to each) an invaluable means of preventing disease and restoring health.

In affections of the head, whether accompanied with pain and giddiness, or marked by the grevious calamity of impaired mental energy; in palpitations of the heart, flatulence, loss of appetite and strength, and the multiplied symptoms of disordered digestion, THE LIFE MEDICINES will be found to possess the most salutary efficacy.

Constitutions relaxed, weak, or decayed, in men or women, are under the immediate influence of the LIFE MEDICINES. Old coughs, asthmas, and consumptive habits are soon relieved and speedily cured. Poverty of blood, and emaciated limbs will ere long meet the happiest change; the chill watery flow will become rich and balsamic, and the limbs be covered with flesh, firm and healthy.

Nervous disorders of every kind, and from whatever cause arising, fly before the effects of the LIFE MEDICINES, and all that train of sinkings, anxieties, and tremours which so dreadfully affect the weak, the sedentary and the delicate, will in a short time be succeeded by cheerfulness, and every presage of health.

For weakness deficiency of natural strength, and relaxation of the vessels, by too frequent indulgence of the passions, this is a safe, certain, and invaluable remedy.

Those who have long resided in hot climates, and are languid and relaxed in their whole system, may take the LIFE MEDICINES with the happiest effects; and persons removing to the Southern States or West Indies cannot store a more important article to health and life.

The following cases are among the most recent cures effected, and gratefully acknowledged by the persons benefitted:

Case of Jacob C. Hunt, New Windsor, Orange County, N. Y.—A dreadful tumor destroyed nearly the whole of his face, nose and jaw. Experienced quick relief from the use of the Life Medicines, and in less than three months was entirely cured. [Case reported with a wood engraving in a new pamphlet now in press.]

Case of Thomas Purcell, senior, 84 years of age—was afflicted 18 years with swellings in his legs—was entirely cured by taking 42 pills in 3 weeks.

Case of Joan Daulton, Aberdeen, Ohio—rheumatism five years—is entirely cured—has used the LIFE MEDICINES for Worms in children and found them a sovereign remedy.

Case of Lewis Austin—period al sick headache—always relieved by a small dose—now nearly free from it.

Case of Ardon Ames—cured of a most inveterate and obstinate dyspepsia, and general debility.

Case of Adah Adams, Windsor, Ohio—rheumatism, gravel, liver affections, and general nervous debility, had been confined—was raised from her bed by taking one box of pills and a bottle of bitters—a most extraordinary cure—she is now a very healthy and robust woman—attested by her husband Shubel Adams.

Case of Mrs. Badger, wife of Joseph Badger—nearly similar to the above, result the same.

Case of Susan Goodenant, a young unmarried woman—subject to ill health for several years—a small course of the Life Medicines entirely restored her—is now hale and healthy.

Case of Miss Thomas, daughter of Eli Thomas—cough and symptoms of consumption—cured in four weeks. Her sister cured of a severe attack of inflamatory rheumatism in one week!

Case of S. Colvin—cured of a severe attack of scarlet fever in a few days by the Life Medicines.

Case of Harriet Tregood, Salina, N. Y.—was in a very low state of health a year and a half—did not expect to recover. Miss T. is now able to walk about, and is rapidly recovering both health and strength.

Case of Benjamin J. Tucker—severe case of fever and ague cured in a very short space of time. Directions followed strictly.

Case of Amos Davis—Affection of the Liver; a long trying doctor's remedies in vain for a long time, was cured by the Life Medicine without trouble.

Extraordinary case of Lyman Pratt, who was afflicted with Phthisic 20 years—effected a perfect cure in 24 hours by the use of the Life Medicines.

Thousands of persons afflicted in like manner, have, by a judicious use of MOFFAT
