Br. Jayne's Expectorant. ATHIS invaluable medicino is daily effecting some of the most astonishing cures that have evebeen known. All who have ever used it for Asthma, Cough, Spitting of Blood, Hooping Cough, Croup or Hives, Consumption, Chronic Pleurisy, Hoarse ness, Pain and Soarness of the Breast, Difficulty of Breathing, and every other disease of the lungs and and breast, can and do attest to its usefulness .-Bronchitia, a disease which is annually sweeping thousands upon thousands to a premature 1 24ve, underthe mistaken name of consumption, is always cured by it. The usual symptoms of this disease (Bronchitis) are cough, soreness of the lungs and throat, hoarsness, difficulty of breathing, asthma, heetic fever, a spitting up of phlegm or matter, and sometimes blood. It is an inflammation of the fine skin which lines the inside of the whole of the wind tubes or air vessels, which runs through every part of the lungs. The expectorant immediately suppresses the cough, pain, inflamation, tever and difficulty of breathing, and produces a free and easy

Expectoration, and cure a is soon effected.
It always cures asthma—two or three large doses will cure the croup or hives of children, in from fiftern minutes to an hour's time. It immediately subdues the violence of hooping cough, and effects a speedy cure. Hundreds who have been given up by their physicians as incureable with "consumption," have been restored to perfect health by it.

Dr. Jonathan Going, President of the Granville College, Ohio, (late of New York) in a letter to Dr. Jayne, dated New York, December, 1836, says-He was laboring under a severe cold, cough and hoarsness, and that his difficulty of breathing was so great that he telt himself in imminent danger of immediate sufficiation, but was pecfectly cured by using this Expectorant." Mrs. Delks, of Salem, New Jersey, was cured of Asthma, of twenty years standing, by using two bottles of this medicine.— Mrs. Ward, also of Salem, was cured of the same complaint by one bottle. A young lady, also of Sa-lem, who was believed by her friends to be far gone with consumption was perfectly restored by three bottles. Dr. Hamilton, of St. James, South Carolina, was greatly affected by a cough, hour-ness, and soreness of the lungs, and on using a bottle of this

medicine found permanent relief. Extract of a Certificate from the Rev. Dr. Babcock, late President of the Waterville College, Maine. "From intimate personal acquaintance with Dr. D. Jayne, a regular student of the Medical University of Pennsylvania, and an experienced, successful practitioner of medicine, I was prepared to appreciate the numerous testimonials in favor of his different medical preparations, much more highly than the great majority of those which are exten-sively eulogised. On trial of them in my own family, and some of them personally. I have more than realized their favorable anticipations. They are what they profess to be—not quack nostrums—but skilfully prepared antidotes for some of the most afflictive of human diseases. I know that they are highly esteemed, and frequently prescribed, by some of the most respectable of the regular practitioners medicine in this city and elsewhere, and I do not hesitate to commend them as a valuable addition to our materia medica, and a safe, as well as eminently

useful remedy for the diseased."
RUFUS BADCOCK, Jr. Philadelphia, 7th June, 1838. The Rev. C. C. P. Crosby, late Editor of the Amer-

ican Baptist, writes as follows: NEW YORK, June 15, 1838. To Dr. Jayne-Dear Sir: I have made use of your Expectorant, personally and in my family, for the last six years with great benefit. Indeed I may consider my life prolonged by the use of this valunble medicine, under the blessing of God, for several years. I may say almost as much in the case of my wife, and also of the Rev. Mr. Tinson, of the Isand of Jamaica. For all cases of cough, inflamation of the chest, lungs, and throat, I do most unhesitatingly recommend this as the best medicine I have ever tried. My earnest wish is, that others

relief, which I am persuaded they will, by using your Expectorant.
