Mostat's Life Pills and Phonix Bitters. HO WANTS BETTER LVIDENCE !- I would

refer the reading public to the numerous voluntary letters published recently in this paper and in the Good Samaritan relative to the happy and beneficial ef-Rects of the administration of MOFFA'T'S LIFE PILLS AND PHŒNIX BITTERS Those who have perused the letters above referred will observe that in almost every case they attes

to will observe that in almost every case they attest the fact, that no inconvenience of any cort attends the taking of these medicities, in ordinary cases, but that the patient, without feeling their operation, is universally left in a stronger and better state of health than was experienced previous to being afflicted with disease; and in all cases of acute suffering, great relief is obtained in a few hour, and a cure is generally effected in two or three days.

In cases of FEVER of every description, and all billious affections, it is unnecessary for me to say aught, as ious affections, it is unnecessary for me to say aught, as I believe the LIFE MEDICINES are now universally

ndmitted to be the most speedy and effectual cure extant in all diseases of that class. tant in all diseases of that class.

The LIFE MEEICINES are also a most excellent relief in affections of the Liver and Bowels, as has been proved in hundreds of cases where patients have come forward and requested that their exterience in taking them might be published for the benefit of others. In their operation in such cases, they restore the tone of the Stomach, strengthen the digest we organs, and invigorate the general functions of the whole body, and thus become to both sexes (for they are perfectly adapted to rise) an invaluable means of preventing disease and reacong health.

By before the effects of the LIFE MEDI-CINES, and all that train of sinkings, auxieties, and tre incorts which so dreadfully affect the weak, the sedentary and the delicate, will in a short time be succeeded by cheerfulness, and every presage of health.

For weakness deficiency of natural strength, and relaxation of the vessels, by too frequent indulgence of the passions, this is a saje, certain, and invatuable remedity.

Those who have long resided in hot climates, and are languid and relaxed in their whole system. ay take the LIFE MEDICINES with the happiest effects; and persons removing to the Southern States or West Indies cannot store a more important article to health and life.

HOREHOUND. COMPOSED of the concentrated virtues of the herbs of Horehound, Boneset and several other vegetable substances. Warranted pure from any Mineral whatever. This invaluable medicine is daily effecting some of the most astonishing cures that have ever been known. All who have ever used it for asthma, coughs, spitting blood, whooping cough, croop or hives, consumption, chronic pleurisy, hoarseness, pain and soreness of the breast, difficulty of breathing, and every other disease of the tungs and breast, can and do attest to its usefulness.— Bronchitis, a disease which is sweeping thousands upon thousands to a premature grave, under the mistaken name of Consumption, is always cured by it. The usual symptoms of this disease, Bronchitis, are cough, soreness of the lungs or throat, hoarsness, difficulty of breathing, asthma, hectic fever, u spitting up of phlegm or matter, and sometimes blood. It is an inflammation of the fine akin which lines the inside of the whole of the wind tubes or air cessels, which run through every part of the lungs. The Balsum immediately suppresses the rough, pain, inflammation, lever and difficulty of breathing, & produces a free and easy expectoration and a cure is soon effected.
