EXCHANGE HOTEL,
POTTSVILLE.

William G. Johnson

HAS taken this commodious establishment recently occupied by Joseph Weaver, Esq. as the "National Hotel," corner of Centre and Callowhill streets, and has materially improved its arrangement for the accommodation of customers. The situation is pleasant and central, being contiguous to the Post Office and Town Hall, and in the business part of the borough; and three Daily Lines of Stages arrive and depart from the Exchange to and from Reading, Northumberland, Danville and Catawissa.

PRIVATE FAMILIES who desire spending the summer months in the Coal Region will be furnished with parlours and chambers calculated to please the fancy and render comfortable the most fastidious guests; and TRAVELLERS will always find those accommodations which are most desired, and the strict attention of servants.

It were superfluous to say that his TABLE and BAR will always be furnished with the choicest viands and liquors; and with a wish and exertions to gratify his guests he anticipates the patronage of the public.

Pills! Pills!

THE safest, the best, most efficacious anp truly vegetable Pills in existance are

DR. LEIDY'S BOOD PILLS,

A component part of which is Sarsaparilla, and known to be the most effectual and thorough purifier of the blood and animal fluids ever discovered. As a gentle or active purgative, they are equally efficacious—whilst taking them no change of diet or restraint from occupation is necessary. They may be taken at all times and under all circumstances—they will not reduce or weaken the system by their effect as most purgatives do—much comment upon their virtues is unnecessary—their reputation is well established, numerous proofs of their efficacy having been published at different times. Suffice it to say that in addition to their efficacy in diseases of the stomach, liver, intestines, &c., they are the only pills in existence that cleanse and purify the blood and animal juids, removing all noxious and diseased humors therefrom, and thereby removing all eruptions from the skin—dry and watery pimples from the face, neck and body, tetter, rash, or breaking out of the skin, and all cutaneous affections whatever

They are prepared from vegetable extracts, (warranted free from mercury and the minerals) and by a regular physician, attested by Drs. Physic, Horner, Gibson, Jackson, James, Dewees, Hare, Coxe, &c. besides numerous other physicians throughout the United States, who daily employ them in their practice, administering them to their patients in preference to all other purgatives, and in preference to all other preparations of Sarsaparilla, in consequence of their possessing the combined effects of correcting the diseased humors of the blood and fluids, and by their purgative properties, removing or carrying off the same from the system, without producing the slightest inconvenience, or requiring restrictions, &c.

Numerous testimonials, certificates and recommendations of those Pills, from physicians and others, accompany the directions with each box. Dr. N. B. Leidy's signature accompanies the genuine on two sides of each box on a yellow label.

Price Twenty-five cents a Box.

WINSLOW'S
COMPOUND BALSAM OF HOREHOUND.

COMPOSED of the concentrated virtues of the herbs of Horehound, Boncset and several other vegetable substances. Warranted pure from any Mineral whatever. This invaluable medicine is daily effecting some of the most astonishing cures that have ever been known. All who have ever used it for asthma, coughs, spitting blood, whooping cough, croop or hives, consumption, chronic pleurisy, hoarseness, pain and soreness of the breast, difficulty of breathing, and every other disease of the lungs and breast, can and do attest to its usefulness.—Bronchitis, a disease which is sweeping thousands upon thousands to a premature grave, under the mistaken name of Consumption, is always cured by it. The usual symptoms of this disease, Bronchitis, are cough, soreness of the lungs or throat, hoarseness, difficulty of breathing, asthma, hectic fever, a spitting up of phlegm or matter, and sometimes blood. It is an inflammation of the fine skin which lines the inside of the whole of the wind tubes or air vessels, which run through every part of the lungs. The Balsam immediately suppresses the cough, pain, inflammation, fever and difficulty of breatning, & produces a free and easy expectoration and a cure is soon effected.

Read the following letter from

Pittsford, Monroe co. Nov. 9, 1839.

Mr. John M. Winslow. Druggist.

Dear Sir: I have been for a series of years afflicted with an affection of the Lungs, and a hard cough, and have many times arose in the morning as completely exhausted by excessive coughing during the night as a person would be by a hard days' labor. I have tried most of the popular remedies of the day, but never found relief until I met with your Balsam of Horehound. All the other remedies or paltatives that I have used, leave the bowels in a congested state, while yours leave them soluble and free. This I consider a great desideratum. On taking a dose of your Balsam when going to bed, I rest quietly through the night, and my sleep is refreshing. I take great pleasure in recommending your Balsam of Horehound to all those afflicted with pulmonary complaints or any disease appertaining to the lungs, and I take this opportunity to thank you for the great relief and benefit I have experienced through your instrumentality. Yours, with much respect,

WM. COGSWELL.

Price 50 cents per bottle.

For sale by CLEMENS & PARVIN, and WM. T. EPTING, Pottsville, Pa, and by Druggists in the Country generally.

Dr. William Evans'
SOOTHING SYRUP,
FOR CHILDREN.

To Mothers and Nurses

THE passage of the teeth through the gums produces troublesome and dangerous symptoms. It is known by mothers that there is a great irritation in the mouth and gums during this process. The gums swell, the secretion of the saliva is increased, the child is seized with frequent and sudden fits of crying, watching, starting in its sleep, and spasms in peculiar parts; the child shrieks with extreme violence, and thrusts its fingers into its mouth. If these precursary symptoms are not speedily alleviated, spasmodic convulsions universally supervene and soon cause the dissolution of the infant. If mothers who have their little babes afflicted with these distressing symptoms, would apply the celebrated American Soothing Syrup, which has preserved hundreds of infants when thought past recovery, from being suddenly attacked with that fatal malady convulsions.

This infallible remedy has preserved hundreds when thought past recovery, from convulsions. As soon as the Syrup is rubbed on the gums, the child will recover. This preparation is so innocent, so efficacious, and so pleasant, that no child will refuse to let its gums be rubbed with it. When infants are at the age of four months, though there is no appearance of teeth, one bottle of the Syrup should be used on the gums to open the pores. Parents should never be without the Syrup in the nursery where there are young children, for if a child wakes in the night with the pain in the gums, the Syrup immediately gives ease, by opening the pores and healing the gums; thereby preventing Convulsions, Fevers, &c.

Moffat's Life Pills and Phœnix Bitters.

WHO WANTS BETTER EVIDENCE?—I would refer the reading public to the numerous voluntary letters published, recently in this paper and in the Good Samaritan relative to the happy and beneficial effects of the administration of

MOFFAT'S LIFE PILLS AND PHŒNIX BITTERS

Those who have perused the letters above referred to will observe that in almost every case they attest the fact, that no inconvenience of any sort attends the taking of these medicines, in ordinary cases, but that the patient, without feeling their operation, is universally left in a stronger and better state of health than was experienced previous to being afflicted with disease; and in all cases of acute suffering, great relief is obtained in a few hours, and a cure is generally effected in two or three days.

In cases of FEVER of every description, and all bilious affections, it is unnecessary for me to say ought, as I believe the LIFE MEDICINES are now universally admitted to be the most speedy and effectual cure extant in all diseases of that class.

The LIFE MEDICINES are also a most excellent relief in affections of the Liver and Bowels, as has been proved in hundreds of cases where patients have come forward and requested that their experience in taking them might be published for the benefit of others. In their operation in such cases, they restore the tone of the Stomach, strengthen the digestive organs, and invigorate the general functions of the whole body, and thus become to both sexes (for they are perfectly adapted to true) an invaluable means of preventing disease and reacoug health.

In affections of the head, whether accompanied with pain and giddiness, or marked by the grevious calamity of impaired mental energy; in palpitations of the heart, flatulence, loss of appetite and strength, and the multiplied symptoms of disordered digestion, THE LIFE MEDICINES will be found to possess the most salutary efficacy.

Constitutions relaxed, weak, or decayed, in man or women, are under the immediate influence of the LIFE MEDICINES. Old coughs, asthmas, and consumptive habits are soon relieved and speedily cured. Poverty of blood, and emaciated limbs will ere long meet the happiest change; the chill watery fluid will become rich and balsamic, and the limbs be covered with flesh, firm and healthy.

Nervous disorders of every kind, and from whatever cause arising, fly before the effects of the LIFE MEDICINES, and all that train of sinkings, anxieties, and tremours which so dreadfully affect the weak, the sedentary and the delicate, will in a short time be succeeded by cheerfulness, and every presage of health.

For weakness, deficiency of natural strength, and relaxation of the vessels, by too frequent indulgence of the passions, this is a safe, certain, and invaluable remedy.

Those who have long resided in hot climates, and are languid and relaxed in their whole system, may take the LIFE MEDICINES with the happiest effects; and persons removing to the Southern States or West Indies cannot store a more important article to health and life.

The following cases are among the most recent cures effected, and gratefully acknowledged by the persons benefitted:

Case of Jacob C. Hunt, New Windsor, Orange County, N. Y.—A dreadful tumor destroyed nearly the whole of his face, nose and jaw. Experienced quick relief from the use of the Life Medicines, and in less than three months was entirely cured. [Case reported, with a wood engraving in a new pamphlet now in press.]

Case of Thomas Furcell, senior, 84 years of age—was afflicted 18 years with swellings in his legs—was entire. ly cured by taking 42 pills in 3 weeks.

Case of Joan Daulton, Aberdeen, Ohio—rheumatism five years—is entirely cured—has used the LIFE MEDICINES for Worms in children and found them a sovereign remedy.

Case of Lewis Austin—periodical sick headache—always relieved by a small dose—now nearly free from it.

Case of Ardon Ames—cured of a most inveterate and obstinate dyspepsia, and general debility.

Case of Adan Adams, Windsor, Ohio—rheumatism, gravel, liver affections, and general nervous debility, had been confined—was raised from her bed by taking one box of pills and a bottle of bitters—a most extraordinary cure—she is now a very healthy and robust woman—attested by her husband Shubel Adams.

Case of Mrs. Badger, wife of Joseph Badger—nearly similar to the above, result the same.

Case of Susan Goodarant, a young unmarried woman—subject to ill health for several years—a small course of the Life Medicines entirely restored her—is now hale and healthy.

Case of Miss Thomas, daughter of Eli Thomas—cough and symptoms of consumption—cured in four weeks. Her sister cured of a severe attack of inflamatory rheumatism in one week!

Case of S. Colvin—cured of a severe attack of scarlet fever in a few days by the Life Medicines.

Case of Harriet Twogood, Salina, N. Y.—was in a very low state of health a year and a half—did not expect to recover. Miss T. is now able to walk about and is rapidly recovering both health and strength.

Case of Benjamin J. Tucker—severe case of fever and ague—cured in a very short space of time. Directions followed strictly.

Case of Amos Davis—Affection of the Liver; after trying doctor's remedies in vain for a long time, was cured by the Life Medicine s without trouble.

Extraordinary case of Lyman Pratt, who was afflicted with Phthisic 20 years—effected a perfect cure in 24 hours by the use of the Life Medicines.

Thousands of persons afflicted in like manner, have, by a judicious use of MOFFAT'S LIFE PILLS and PHŒNIX BITTERS, been restored to all the enjoyments of all the comforts of life. The Bitters are pleasant to the taste and smell
