The Rev. C. C. P. Crosby, late Editor of the American Baptist, writes as follows: NEW YORK, June 15, 1838. To Dr. Jayne-Dear Sir: I have made use of your Expectorant, personally and in my family, for the last six years with great benefit. Indeed I may consider my life prolonged by the use of this val-uable medicine, under the blessing of God, for sev-eral years. I may say almost as much in the case of my wife, and also of the Rev. Mr. Tinson, of the Isand of Jamaica. For all cases of cough, inflamation of the chest, lungs, and throat, I do most unhesitatingly recommend this as the best medicine

your Expectorant. Extract of a certificate from the Rev. Mr. Brad-

Dr. Jayne-Dear Sir-My child, owing to expo sure, when recently coming up the Ohio, was attack ed by that horrible malady, croup. We landde in the night at Beaver Point, and when our fears were alarmed, least the hoarse, sepulchral cough was the fererunner of death, we gave him a tea-spoonful of the "Expectorant" (a bottle of which you presented me with when in Philadelphia) and applied some linament to the throat and breast; and before many minutes the hoursness was gone, the child breathed freely and slept sweetly. DEAR SIR—I feel it due to you as the inventor of the

medicine and to the public, who may be greatly benefited by it, to state a cure that was performed in my family by the use of your "Carminative Balsam."

My little ison, when about two months old, was seized with a bowel complaint, caused as I suppose, by a change of diet. It continued for two weeks without intermission. It continued two weeks without intermission, and sion. It continued two weeks without intermission, and notwithstanding the remedies prescribed by a respectable physician, we gave up the child a victim, as we supposed, to a fatal disease, but I providentially heard of "Jayne's Carminative," as an effectual cure for bowel complaint, and immediately despatched a messenger to a town seventeen miles off for a bottle. By the use of this medicine, in less than thirty-six hours the disease was checked; and by its continued use for a few days the child was restored to perfect health. Shortly after this, there occurred a similar case in one of the families of my congregation. I prescribed "Jayne's Carminative," and the result was a speedy cure. From a knowledge of the efficacy of your medicine in bowel complaint a disease to which children are constantly liable, I have obtained and keep constantly in the house, a quantity of

OF all the remedies ever davised for the restorstion and preservation of the Hair, nothing has been found equal to Alibert's Oleaginaus Harr Tonic. It seldom fails to restore the hair to health and beauty. Many who were bald three months ago, can now exhibit luxuriant heads of hair by the use of it.

Dr. JAYNE-Dear Sir; I feel that I can hardly say enough to you in favor of Alibert's Hair Tonce, sold by you. My hair had been falling off about two years, and had become very thin, threatening speedy baldness, when I commenced using this remedy. In about one week it ceased to fall off. I have used it now about three months, and have as full and thick a head of hair as I can possibly desire. I have recommended its use to a number of my triends, who all speak well of it. If faithfully emplayed, I have no doubt of its general success. I may add that before using the Tonic, I had tried almost all the various articles employed for the hair such as the Macassar Oil, all the different prepara tions of bear's oil, vegetable hair oil, &c. withou experiencing much, if any benefit,

Respectfully yours, S. S. Fircu, No. 172 Chesnut street.

Copy of a letter from C. C. Park, Pastor of the Baptist church at Haddonfield, N. J.

Haddonfield, February 12, 1839. Dr. D. Jayne-Sir: I take pleasure in informing you that the bottle of Alibert's Hair Tonic which I obtained of you last October, has proved most satis-factory and successful. My hair had for a lung time been exceedingly thin. But for two or three years past it had so tallen out, that my head had become almost entirely bald. I was under the necesful practitioner of medicine, I was prepared to appreciate the numerous testimonials in favor of his on the sides of it. But now after using about half of a bottle of the Tonic, I have as luxuriant a growth of hair as I ever had.

The Rev Leonard Fletcher, Pastor of the Baptist church at Great Valley, Pa., who had been more or less bald for many years, used three bottles of the Hair Tonic, and has a fine growth of new hair, over all that part of his head where he was before

bald, writes-"My hair is growing finely, I assure you." L. FLETCHER. Westchester, Pa., March 2, 1839.

Mr. Bond, one of the Compositors in the office of the Philadelphia Public Ledger, who had lost nearly all his hair from off the top of his head, has had it completely restored by the use of this Tonic. Two Officers of the American Navy had good heads of hair restored to them by using five bottles each of . this Hair Tonic, one of whom was over sixty years of age. Four gentlemen connected with the rublic press in Philadelphia, have also had their balances removed by using this remedy. The Rev Mr. Park-er, Pastor of the Presbyterian Church in Delaware county, Pa., who was completely baid over all the top of his head, and was also becoming considerably gray, has used only two bottles of this tonic, and has not only a luxuriant growth of new hair upon unflamation of the cliest, lungs, and throat, I do most unhesitatingly recommend this as the best medicine I have ever tried. My earnest wish is, that others out of every ten, may positively be removed by a tathful application of this invaluable remedy.—
There is, therefore, now no excuse for a baldhead. afflicted as I have been, may experience the same relief, which I am persuaded they will, by using
