Mostat's Life Pills and Phonix Bitters.

WHO WANTS BETTER EVIDENCE !- I would refer the reading public to the numerous volun-tary letters published recently in this paper and in the Good Samaritan relative to the happy and beneficial effects of the administration of MOFFAT'S LIFE PILLS AND PHENIX BITTERS

MOFFAT'S LIFE PILLS AND PHENIX BITTERS
Those who have perused the letters above referred
to will observe that in almost every case they attest
the fact, that no inconvenience of any sort attends the
taking of these medicines, in ordinary cases, but that
the patient, without feeling their operation, is universally left in a stronger and better state of health than
was experienced previous to being afflicted with disease;
and in all cases of acute suffering, great relief is obtained in a few hour, and a cure is generally effected in
two or three days.

two or three days.
In cases of FEVER of every description, and all bilious affections, it is unnecessary for me to say aught, as believe the LIFE MEDICINES are now universally

admitted to be the most speedy and effectual cure extant in all diseases of that class.

The LIFE MEEICINES are also a most excellent relief in affections of the Liver and Bowels, as hus been proved in hundreds of cases where patients have come proved in hundreds of cases where patients have come forward and requested that their experience in taking them might be published for the benefit of others. In their operation in such cases, they restore the tone of the Stomach, strengthen the digest of organs, and invigorate the general functions of the whole body; and thus become to both sexes (for they are perfectly adapted to rise) an invaluable means of preventing disease and re-

In affections of the head, whether accompanied with an angections of the lead, whether accompanies with pain and giddiness, or marked by the grevious calamity of impaired mental energy; in palpitations of the heart flatulence, loss of appetite and strength, and the multi-plied symptoms of disordered digestion, THE LIFE MEDICINES will be found to possess the most salutary

Constitutions relaxed, weak, or decayed, in men women, are under the immediate influence of the LIFE MEDICINES, Old coughs, asthmas, and consumptive habits are soon relieved and speedily cured. Poverty of blood, and emaciated limbs will erg long meet the hap-piest change; the chill watery fluid will become rich and balsamic, and the limbs be covered with flesh, firm and

healthy.

Nervous disorders of every kind, and from whatever cause arising, fly before the effects of the LIFE MEDI-CINES, and all that train of sinkings, anxieties, and tre mours which so dreadfully affect the weak, the sedentary and the delicate, will in a short time be succeeded by heerfulness, and every presage of health. For weakness, de iciency of natural strength, and re-

laxation of the vessels, by too frequent indulgence of the passions, this is a saje, certain, and invaluable reme-Those who have long resided in hot climates, and are languid and relaxed in their whole system, any take the LIFE MEDICINES with the happiest effects; and persons removing to the Southern States or West Indies cannot store a more important article to health and life

The following cases are among the most recent cures effected, and gratefully acknowledged by the persons Case of Jacob C. Hunt, New Windsor, Orange County, N. Pills VP ills! THE safest, the best, most efficacious anp truly vegetable Pills in existance are

DR. LEIDY'S BOOOD PILLIS, A component part of which is Sarsaparilla, and known to be the most effectual and thorough purifier of the blood and animal fluids ever discovered. As a gentle or active purgative, they are equally efficacious - whilst taking them no change of diet or restraint from occupation in them no change of diet or restraint from occupation is necessary. They may be taken at all times and under all circumstances—they will not reduce or weaken the system by their effect as most purgatives do—much comment upon their virtues is unnecessary—their reputation is well established, numerous proofs of their efficacy having been published at different times. Suffice it to ray that in addition to their efficacy in diseases of the standard hims interesting the standard published. stomach, liver, intestines, &c., they are the only pills in existence that cleanse and purify the blood and animal mids, removing all nozious and diseased humors there-son, and thereby removing all eroptions from the skin-dry and watery pimples from the face, neek and body, tetter, rash, or breaking out of the skin, and all cutane-ciona affections whatever.

ciona affections whatever.

They are prepared from vegetable extracts, (warranted free from mercury and the minerals) and by a regular physician, attested by Drs. Physic, Horner, Gibson, Jackson, James, Dewees, Hare, Core, &c. besides numerous other physicians throughout the United States, who daily employ them in their practice, administering them to their patients in preference to all other purgatives, and in preference to all other preparations of Sarsaparilla, in consequence of their possessing the combined effects of correcting the diseased humors of the blood and fluids, and by their purgative properties, removing or carrying off the same from the system, without producing the slightest inconvenience, or requiring restrictions, &c.

Numerous testimonials, certificates and recommenda-tions of those Pills, from physicians and others, accom-pany the directions with each box. Dr. N. B. Leidy's signature accompanies the genuine on two sides of each box on a yellow label.

Dr. Jayn's Expectorant. WE considerit a duty to call public attention to this adminable preparation for Pulmonary Diseases—especially Coughs, Colds, Consumption, Spitting Blood, Asthma, Brouchial Affections. Whooping Cough,

&c. It is used and very highly approved by persons of the first respectability, but we feel confident in saying that a trial of its efficacy will be its best recommenda Dr. Jonathan Going. President of Granville College, Ohio, (late of New York) in a letter to Dr. Jayne, dated New York, December, 1836, says—"He was laboring nder a severe cold, cough and hoarsness, and that his difficulty of breathing was so great that he telt himself in imminent danger of immediate suffocation, but was nn imminent danger of immediate sundcation, our was perfectly cured by using this Expectorant." Mrs. Delks, of Salem. New Jersey was cured of Asthma, of twenty years standing, by using two bottles of this medicine. Mrs. Ward, also of Salem, was cured of the same complaint by one bottle. A young lady, also of Salem, who was believed by her friends to be far gone with consumption was perfectly restored by three bottles. Dr. Hamilton, of St. James. South Carolina, was greatly affected by a cough, hoarsness, and soreness of the

lungs, and on using a bottle of this medicine found permanent relief.

Mr. Nicholas Harris, sen., one of the Deacons of the first Baptist Church, in Philadelphia has been perfectly cur-d by it—after having suffered for SIXTY YEARS with Coughs, Ashima, and spitting of Blood, which no

remedy before could relieve.

The Rev. C. C. P. Crosby, writes as follows:
