CELEBRATED FEMALE MONTHLY PILLS?

THIESE Pills are strongly recommended to the notice of the ladies as a safe and efficient rem-'edy in removing those complaints peculiar to their sex, from want of exercise, or general Debility of the System, Obstructions, Suppressions, and Irrequently of the Menses at the same time strengthening, cleaning, and giving tone to the Stomach and Bowels, and producing a new and healthy action throughout the system generally. They create Appetie, correct Indigestion, remove Giddiness and Nervous Readache and are eminently useful in these Midulent complaints which distress Females so much at the "Tunn or Live." They obviate costiveness, and counteract all Hysterical and Nervous Affections, &c. &c. They invariably restore the pallid and delicate female to health and vigor.
These Pills have gained the sanction and apprebation of the most eminent Physicians in the Unit-'ed States, and many mothers can likewise testify to their extraordinary efficacy. To married females, whose expectations of the tenderest pledges of connu-bial happiness have been defeated, these Pills may be truly esteemed a blissful boon. They soon renovate all functional debility, and if taken (according to directions) obviate all morbid action. They dispel that fulsome and disagreeable sensation common to famales at each monthly return, likewise the attendant pains in the back, side, or loins; they generally counteract the nauses, vomiting, and other berveus affections in cholorosis, or green sickness in a few days, (and if continued occording to direc-

tions,) soon effect a perfect cure. This Medicine is acknowledged to be one of the most valuable ever discovered, as a purifier of the Blood and fluids. It is superior to Sarsaparilla,

whether as a sudurific or alterative.

Very respectfully yours, Case of S. Colvin-cured of a severe attack of scarlet fever in a few days by the Life Medicines.

Case of Harriet Twogood, Salima, N. Y.—was in a very low state of health a year and a half-did not expect to recover. Miss This now able to walk about and is rapidly recovering both health and strength.

Case of Benjamin J. Tucker-severe case of fever and the process of the several states. agre-cured in a very short space of time. Directions followed strictly. Case of Amos Davis-Affection of the Liver; after try-

ing doctor's remedies in vain for a long time, was cured by the Life Medicine s without trouble.

Extraordinary case of Lyman Pratt, who was afflicted with Phthisic 20 years-effected a perfect cure in 24 hours by the use of the Life Medicines Thousands of persons afflicted in like manner, have,

by a judicious use of MOFFAT'S LIFE PILLS and PHENIX BITTERS, been restored to all the enjoy ments of all the conforts of life. The Bitters are pleasant to the taste and smell, gently astringe the fibres of ant to the taste and smell, gently astringe the upres of the stomach, and give that proper tensity, which a good digestion requires. As nothing can be better adapted to help and nourish the constitution, so there is nothing more generally acknowledged to be peculiarly effica-cious in all inward wastings, loss of appetite, indiges-tion, depression of spirits, trembling or shaking of the hands and limbs, obstinate coughs, shortness of breath

or consumptive habits. The Life Medicines possess wonderful efficacy in all nervous disorders, fits, headache, weakness, heaviness and lewness of spirits, dimness of sight, confused thoughts, wandering of mind, vapours and melancholy, and all kinds of hysteric complaints, are gradually removed by their use. In sickness of the stomach, flatulencies or obstructions, they are safe and powerful, and as a parifier of the blood, they have not their equal in the

world! For additional particulars of the above medicines, see Moffat's "Good Samaritan," a copy of which accompanies the medicines; a copy can also be obtained of the different Agents who have the medicines for sale.
