Thornix Bitters.

THO WANTS BETTER EVIDENCE !— I would be refer the reading public to the numerous voluntary letters published recently in this paper and in the Good Samaritan relative to the happy and beneficial effects of the administration of the second seco fects of the administration of MOFFAT'S LIFE PILLS AND PHŒNIX BITTERS Those who have perused the letters above referred will observe that in almost every case they attest the fact, that no inconvenience of any sort attends the taking of these medicines, in ordinary cases, but that the patient, without feeling their operation, is universally left in a stronger and better state of health than

was experienced previous to being afficited with disease; and it all cases of acute suffering, great relief is obtained in a few hour, and a cure is generally effected in two or three days.
In cases of FEVER of every description, and all biflious affections, it is unnecessary for me to say aught, as I believe the LIFE MEDICINES are now universally

admitted to be the most speedy and effectual cure ex-tunt in all diseases of that class.

The LIFE MEEICINES are also a most excellent reliefin affections of the Liver and Bowels, as his seen proved in hundreds of cases where patients have come forward and requested that their experience in taking them might be published for the benefit of others. In their operation in such cases, they restore the tone of the Stomach, strengthen the digestive organs, and invigorate the general functions of the whole body, and thus become to both sexes (for they are perfectly adapted to

rtse) an invaluable means of preventing disease and reacong health.
In affections of the head, whether accompanied with pain and gicdiness, or marked by the grevious calamity of impaired mental energy; in palpitations of the heart flatulence, loss of appetite and strength, and the multi-plied symptoms of disordered digestion, THE LIFE

MEDICINES will be found to possess the most salutary efficacy.

Constitutions relaxed, weak, or decayed, in men or women, are under the immediate influence of the LIFE MEDICINES. Old coughs, asthmas, and consumptive habits are soon reviewed and speedily cured. Poverty of blood, and emaciated limbs will ere long meet the hap piest change the chill watery fluid will become rich and balsamic, and the limbs be covered with flesh, firm and
