HESE Pills are strongly recommended to the notice of the ladies as a safe and efficient remedy in removing those complaints peculiar to their sex, from want of exercise, or general Debility the System, Obstructions, Suppressions, and Irregularity of the Menses; at the same time strengthen ing, cleansing, and giving tone to the Stomach and Bowels, and producing a new and healthy action throughout the system generally. They create Ap-Petite, correct Indigestion, vemove Giddiness and Nervous Headache and are eminently useful in those flatulent complaints which distress Females so much at the "Tuen or Live." They obviate costiveness, and counteract all Hysterical and Nervous Affections, &c. &c. They invariably restore the pallid and delicate female to health and vigor

These Pills have gained the sanction and appre bation of the most eminent Physicians in the United States, and many mothers can likewise testify to their extraordinary efficacy. To married females, whose expectations of the tenderest pledges of connu-bial happiness have been defeated, these Pills may be truly esteemed a blissful boon. They soon renovate all functional debility, and if taken (according to directions.) obviate all morbid action. They dis-pel that folsome and disagreeable sensation common to f males at each monthly return, likewise the atten lant pains in the back, side, or loins; they generally counteract the nausea, vomiting, and other nervous affections in cholorosis, or green sickness in a few days, (and if continued occording to directions.) soon effect a perfect cure.

This Medicine is acknowledged to be one of the most valuable ever discovered, as a purifier of the Blood and fluids. It is superior to Sarsaparilla, whether as a sudurific or alterative.

HO WANTS BETTER EVIDENCE !-- I would refer the reading public to the numerous voluntary letters published recently in this paper and in the Good Samaritan relative to the happy and beneficial effects of the administration of MOFFAT'S LIFE PILLS AND PHŒNIX BITTERS Those who have perused the letters above referred to will observe that in almost every case they attest the fact, that no inconvenience of any sort attends the

the fact, that no inconvenience of any extrated at the taking of these medicines, in ordinary cases, but that the patient, without feeling their operation, is universally left in a stronger and better state of health than was experienced previous to being afflicted with disease; and in all cases of acute suffering, great relief is obtained in a few hours, and a cure is generally effected in two orthree days. two or three days. In cases of FEVER of every description, and all billions affections, it is unnecessary for me to say aught, as I believe the LIFE MEDICINES are now universally

In their operation in such cases, they restore the tone of the Stomach, strengthen the digestive organs, and invig-orate the general functions of the whole body, and thus become to both sexes (for they are perfectly adapted to rise) an invaluable means of preventing disease and re-

icong health.
In affections of the head, whether accompanied with pain and giddiness, or marked by the grevious calamity of impaired mental, energy; in palpitations of the heart flatulence, loss of appetite and strength, and the multiplied symptoms of disordered digestion, THE LIFE MEDICINES will be found to possess the most salutary

fficacy.
