Copy of a letter from C. C. Park, Pastor of the Baptist church at Haddonfield, N. J. Haddonfield, February 12, 1839.

Dr. D. Jayne-Sir : I take pleasure in info ming ou that the bottle of Alibert's Hair Tonic which I obtained of you last October, has proved most satisfactory and successful. My hair had for a long time been exceedingly thin. But for two or three years past it had so fallen out, that my head had become almost entirely bald. I was under the neces. sity of concealing the baldness by combing the hair on the sides of it. But now after using about half of a bottle of the Tonic, I have as luxuriant a growth of hair as I ever had.

The Rev Leonard Fletcher, Pastor of the Baptist church at Great Valley, Pa., who had been more or less bald for many years, used three bottles of the Hair Tonic, and has a fine growth of new hair, over all that part of his head where he was before

"My hair is growing finely, I assure you." L. FLETCHER. Westehester, Pa., March 2, 1839.

Mr. Bond, one of the Compositors in the office of he Philadelphia Public Ledger, who had lost nearly all his hair from off the top of his head, has had it completely restored by the use of this Tonic. Two Officers of the American Navy had good heads of hair restored to them by using five bottles each of this Hair Tonic, one of whom was over sixty years of age. Four gentlemen connected with the rublic press in Philadelphia, have also had their baldness removed by using this remedy. The Rev Mr. Park er, Pastor of the Presbyterian Church in Delaware county, Pa, who was completely bald over all the top of his head, and was also becoming considerably gray, has used only two bottles of this tonic, and has not only a luxuriant growth of new hair upon his head, but all the gray hairs have disappeared, and their places have been supplied by healthy hair of a natural colour. Finally, nine cases of baldness out of every ten, may positively be removed by a taithful application of this invaluable remedy.-There is, therefore, now no excuse for a baldhead.

Not so with Dr. Huar, whose extensive research and practical experience so eminently qualify him for the profession of which he has been one of the most use ful members. He contends-and a moment's reflec tion will convince any reasoning mind of the correct ness of his views-that the stomach, liver, and the are the primary and great regul turs of health, and that the blood in very many instances is dependent on these organs, and that unless medicine reaches THE ROOT OF THE DISEASE the superficial anodynes usually prescribed, sevre but as foils to cover the ravages of deed-rooted maladies. Under these convictions, at the expense of years of close application, the doctor has discovered a medicine whose searching powers are irresistible, and in prescribing, it is with a knowledge of its being a radical cure in the various diseases already enumerated, even if applied in the most critical cases, but

the Healing Art. The extraordinary success which has attended the use of HUNT'S BOTANIC PILLS, is the best criterion of their superior virtues. They have been the means of raising a host of languishing patients from the bed of affliction, as is clearly evinced in

the following CERTIFICATES. Dyspepsia or Indigestion Effectually Cured. Mr. Wm. Tucker, having lately been restored to a sound state of health, through the efficacy of DR. HUNT'S BOTANIC PILLS, thinks it an indispensable duty to state certain facts relative to the dis ease under which he had so long suffered. The symptoms were—a painful obstruction, with a con, stant rejection of food, head ache, palpitation of the heart, lowness of spirits, a troublesome dry cough, dizziness, tightness at the chest and difficulty of breathing, almost constant pain in the side, loins, and shoulders, accompanied with much languor and debility. These afflictions, tegether with an unusual degree of flatulence, brought on such a state of extreme weakness, as to prevent him from attending to his busines, and his health appeared lost beyond recovery. His friends and relatives became alarmel at the melancholy prospect, and strongly recom-mended HUNT'S BOTANIC PILLS—they were administered, and in a few days produced astonishing relief, and finally realized a perfect restoration to sound health.
