Dr. Leidy's Medicated Extract of Sarsaparillą.

#### To the World.

F you wish to make use of Sarsaparilla, be advised to ry DR. LEICY'S MEDICATED EXTRACT OF SARSAPARILLA. It is positively the strongest pre paration in existence, one bottle of it (which costs but one dollar) being equal to one gallon of Syrup, as it is usually prepared in the shops, and equal to two bottles of any other extract. Dr. Leidy begs leave to state that the himself prepares it, and can consequently vouch for its strength. Numerous Physicians throughout the U, nited States, give it the preference over all other preparations of Sarsaparilla, both from the fact of its s strength (consequently efficacious when employed) and from the circumstance of its being prepared by a regu-lar Apothecary and Physics, attested by Dr'. Physic, Chapman, Jackson, Horner, Gibson, Dewees, James, Coxe. &c. &.

It is useless here to name the numerous affections wherein Sarsaparilla is considered the sole Specific.-Suffice it to say, it is recommended by all Physicians throughout the world, in diseases of Skin, Bones, Liver, Ac, and particularly all diseases produced by imparities of the blood and animal fluids. As a purfier of the blood, it is at all times (and particularly in the Spring and Fall) invaluable. In warm climates, throughout the ummer Season, no person should neglect using it occa-Numerous certificates and recommendation nionally from Physicians, and others accompany the directions. to sound health.

Mr. Joshua Roberts was afflicted with a billious and nervous disease to an alarming degree, being attended with all the distressing symptoms which affect a relaxed constitution, viz .-- A sick head-ache loss of appetite, giddiness in the head, pain in th sto nach after eating, usual tremors, shifting spase modic pains in every part of the body, cold chillsallow complexion, costiveness, and a constant dult pain in the right side, which often induced the most dreadful debility . indeed, he thought he was afflic ed with every internal complaint the human body is liable to. He was generally making trial of various remedies, all of which were equally fruitless, unte he had recourse to Hunt's Botanic Pills, from thsuperior virtues of which medicine his health is per fectly re-established, and is now able to pursue his

employment free from pain or disease. JOSHUA ROBERTS. Auextraordinary case of Rheumatism, accompanied

with Diarrhæa and Nervous Debility.

Mr. Joseph Hart, from being exposed to cold, was attacked with a most painful Rheumatic complaint in the head, and neck, which continued with dis tressing violence for several months. The principle symptoms were—a swelling and excruciating pair of all the joints, and an entire loss of their use ; both the pain and the fever generally suffered an increase the evening. The pairs were increased on the slightest motion, and were more severe in the night time. A constant diarrhos, which produced its general consequences-flatnlency, lowness of spirits, and general wasting of the body. He was indeed so extremely ill that his medical attendant could not possibly give the least hopes of his recovery, and it vas generally believed by his relatives and friends that all the medicines or treatment in this world could not give him any relief. But seeing an advertisement on Hunt's Botanic Pills, he was directed hy an Almighty Providence to use them ; he did so. and after a fortnight they produced a tavorable change, and he is now a healthy and strong man. JOSEPH HART.

An interesting case of Lowness of Spirits, with a violent Spasmodic Affection.

Mr. Francis Caldwell was afflicted for several years with extreme debility, together with a train of symptoms generally termed nervous affections, and which, perhaps, it would be impossible for the pen of the most learned physicians to describe. In this case the spasms in the stomach were so frequent and excruciating as nearly to deprive him of reason nains in the limbs, extending even to the fingers and toes, flatulence, sickness at the stomach, and a general agitation of the whole system, insomuch that common incident rendered the mind timid and ap prehensive. In order to remove these dis ressing symptoms, and restore the constitution to its former nergy, a large portion of medical skill had been exhausted without any advantage ; change of air, and other remedies were also unavailing, and the mind and body appeared to be devoted to a ruthless dis. ease. In this hopeless and languid situation, Mr. Caldwell was recommended to make trial of Hunt's Botanic Pills, the effects of which were visable in a few days, and by a continuance of the medicine (according to directions.) his strength became completely restored, and a sound state of health, was

happily established. BEWARE OF COUNTERFEITS. Caution .- Be particular in purchasing to see that the label of this Medicine contains a notice of its entry according to Act of Congress. And be like wise particular in obtaining them at 100 Chatham
