Dr William Evans' SOOTHING SYRUP.

FOR CHILDREN.

To Mothers and Nurses. THE passage of the teeth through the gums produces troublesome and dangerous symptoms. It is known by mothers that there is a great irritation in the mouth and gums during this process. The gums swell, the secretion of the saliva is increased, the child is seized with foreign and surface for foreign with his secretion. frequent and sudden fits of crying, watching, starting in its sleep, and spasms in peculiar parts; the child shricke with extreme violence, and thrusts its fingers into its mouth. If these precursary symptoms are not speedily alleviated, spasmodic convulsions universally supervents and soon cause the dissolution of the infant. If mothers who have their little babes afflicted with these distressing symptoms, would apply the celebrated American Soothing Syrup, which has preserved hundreds of infants

when thought past recovery, from being suddenly attacked with that fatal malady convulsions.

This infallible remedy has preserved hundreds when thought past recovery, from convulsions. As soon as the Syrup is rubbed on the gums, the child will recover. This preparation is so innocent, so efficacious, and so pleasant, that no child will refuse to lettis gums be rubbed with it. When infants are at the age of four months though there is no appearance of teeth, one bottle of the Syrup should be used on the gums to open the pores. Parents should never be without the Syrup in the nursery where there are young children, for it a child wakes in the night with the pain in the guins, the Syrup immediately gives ease, by opening the porcs and healing the guins; thereby preventing Convulsions, Fevers, &c.

Respectfully yours, S. S. Fitch, No. 172 Chesnut street.

Copy of a letter from C. C. Park, Pastor of the Baptist church at Haddonfield, N. J. Haddonfield, February 12, 1839.

Dr. D. Jayne-Sir: I take pleasure in informing you that the bottle of Alibert's Hair Tonic which I obtained of you last October, has proved most sails. Liver Complaint, with much Derangement of the factory and successful. My hair had for a long time been exceedingly thin. But for two or three years past it had so fallen out, that my head had become almost entirely bald. I was under the neces sity of concealing the haldness by combing the hair on the sides of it. But now after using about half of a bottle of the Tonic, I have as luxuriant a growth of hair as I ever had.

The Rev Leonard Fletcher, Pastor of the Baptist church at Great Valley, Pa., who had been more or less bald for many years, used three bottles of the Hair Tonic, and has a fine growth of new hair, over all that part of his head where he was before

"My hair is growing finely, I assure you." Westchester, Pa., March 2, 1839.

Mr. Bond, one of the Compositors in the office of the Philadelphia Public Ledger, who had lost nearly all his hair from off the top of his head, has had it completely restored by the use of this Tonic. Two Officers of the American Navy had good heads of hair restored to them by using five bottles each of this Hair Tonic, one of whom was over sixty years of age Four gentlemen connected with the public press in Philadelphia, have also had their balaness removed by using this remedy. The Rev Mr. Parker, Pastor of the Presbyterian Church in Delaware county. Pa., who was completely bald over all the top of his head, and was also becoming considerably gray, has used only two bottles of this tonic, and has not only a luxuriant growth of new hair upon his head, but all the gray hairs have disappeared, and their places have been supplied by healthy hair of a natural colour. Finally, nine cases of baldness

out of every ten, may positively be removed by a lauthful application of this invaluable remedy. There is, therefore, now no excuse for a baldhead. Prepared only by Dr D. JAYNE, sole proprietor, No. 20, South Third street, Philadelphi. Price \$1

Dr. Leidy's Medicated Extract of Sarraparilla. To the World.

F you wish to make use of Sarsaparilla, be advised to ry DR. LEILY'S MEDICATED EXTRACT OF SARSAPARILLA. It is positively the strongest preparation in existence, one bottle of it (which costs but one dollar) being equal to one gallon of Syrup, as it is usually prepared in the shops, and equal to two bottles of any other extract. Dr. Leidy begs leave to state that he himself prepares it, and can consequently wouch for its strength. Numerous Physicians throughout the United States, give it the preference over all other preparations of Sarsaparilla, both from the fact of its superior strength (consequently efficacious when employed) and from the circumstance of its being prepared by a regular Apothecary and Physician, attested by Dr. Physician Chapman, Jaekson, Horner, Gibson, Dewees, James, Coxe, &c. &c.

Coxe, &c. &.
It is useless here to name the numerous affections wherein Sarsaparilla is considered the sole Specific — Suffice it to say, it is recommended by all Physicians throughout the world, in diseases of Skin, Bones, Liver Ac, and particularly all diseases produced by impurities of the blood and animal fluids. As a purifier of the blood, it is at all times (and particularly in the Spring and Fall) invaluable. In warm climates, throughout the mmer Season, no person should neglect using it occa onally Numerous certificates and recommendation from Physicians, and others accompany the directions

The Blood has hitherto been considered by Empirics and others, as the great regulator of the human system, and such is the devotedness of the adherents to that erroneous doctrine, that they content themscives with the simple possession of this fallacious, opinion, without enquiring into the primary sources from whence Life, Health, and Vigor emanate, and vice versa. pain, sickness, disease und death. Not so with Da. Hunr, whose extensive research and practical experience so eminently qualify him for the profession of which he has been one of the most use ful members. He contends-and a moment's reflec tion will convince any reasoning mind of the correct ness of his views-that the stomach, liver, and the associated organs are the primary and great regula wrs of health, and that the blood in very many instances is dependent on these organs, and that unless medicine reaches THE ROOT OF THE DISEASE, the superficial anodynes usually prescribed, sevre but as foils to cover the ravages of deed-rooted maladies. Under these convictions, at the expense of years of close application, the doctor has discovered a medicine whose searching powers are irresistible, and in prescribing, it is with a knowledge of its being a radical cure in the various diseases already enumerated, even if applied in the most critical cases, but he does not intend to prescribe to

HUNT'S BOTANIC PILLS have never been known to fail in effecting two very gratifying results, that of raising from the bed o sickness and disease those who have tested their effi eacy, and thus amply rewarding Dr. Hunt for his long and anxious study to attain this perfection in he HEALING ART.

The extraordinary success which has attended the use of HUNT'S BOTANIC PILLS, is the best criterion of their superior virtues. They have been the means of raising a host of languishing patients from the bed of affliction, as is clearly evinced in the following

CERTIFICATES.

Dyspepsia or Indigestion Effectually Cured. Mr. Wm. Tucker, having lately been restored t a sound state of health, through the efficacy of DR. HUNT'S BOTANIC PILLS, thinks it an indispensable duty to state certain facts relative to the di ease under which he had so long suffered. The symptoms were—a painful obstruction, with a con stant rejection of food, head ache, palpitation of the heart, lowness of spirits, a troublesome dry cough, dizziness, tightness at the chest and difficulty of breathing, almost constant pain in the side, loins, and shoulders, accompanied with much languor and debility. These afflictions, together with an unusua degree of flatulence, brought on such a state of extreme weakness, as to prevent him from attending to his busines, and his health appeared lost beyond recovery. His friends and relatives became alarmed at the melancholy prospect, and strongly recom-mended HUNT'S BOTANIC PILLS—they were administered, and in a few days produced astonishing relief, and finally realized a perfect restoration to sound health.

WILLIAM TUCKER. to sound health.

Nervovs System Mr. Joshua Roberts was afflicted with a billions and nervous disease to an alarming degree, being attended with all the distressing symptoms which affect a relaxed constitution, viz .- A sick head-ache loss of appetite, giddiness in the head, pain in th sto nach after eating, usual tremors, shifting spase modic pains in every part of the body, cold chillsallow complexion, costiveness, and a constant duli pain in the right side, which often induced the mes dreadful debility : indeed, he thought he was afflic ed with every internal complaint the human body is liable to. He was generally making trial of various remedies, all of which were equally fruitless, unte he had recourse to Hunt's Botanic Pills, from thsuperior virtues of which medicine his health is per fectly re-established, and is now able to pursue his employment free from pain or disease. JOSHUA ROBERTS.

Auextraordinary case of Rheumatism, accompanied

with Diarrhea and Nervous Debility. Mr. Joseph Hart, from being exposed to cold, was attacked with a most painful Rheumatic complaint in the head, and neck, which continued with dis tressing violence for several months. The principle symptoms were-a swelling and excruciating pair of all the joints, and an entire loss of their use; both the pain and the fever generally suffered an increase in the evening. The pairs were increased on the slightest motion, and were more severe in the night time. A constant diarrhos, which produced its general consequences—flatulency, lowness of spirits, and general wasting of the body. He was indeed so extremely ill that his medical attendant could not possibly give the least hopes of his recovery, and it was generally believed by his relatives and friends that all the medicines or treatment in this world could not give him any relief. But seeing an advertisement on Hunt's Botanic Pills, he was directed by an Almighty Providence to use them; he did so, and after a fortnight they produced a tavorable change, and he is now a healthy and strong man.

JOSEPH HART. An interesting case of Lowness of Spirits, with a vi-

olent Spasmodic Affection. Mr. Francis Caldwell was afflicted for several years with extreme debility, together with a train of symp toms generally termed nervous affections, and which, perhaps, it would be impossible for the pen of the most learned physicians to describe. In this case the spasms in the stomach were so frequent and excruciating as nearly to deprive him of reason pains in the limbs, extending even to the fingers and toes, flatulence, sickness at the stomach, and a general agitation of the whole system, insomuch that common incident rendered the mind timid and apprehensive. In order to remove these dis ressing symptoms, and restore the constitution to its former energy, a large portion of medical skill had been exhausted without any advantage; change of air, and other remedies were also unavailing, and the mind and body appeared to be devoted to a ruthless discase. In this hopeless and languid situation, Mr. Caldwell was recommended to make trial of Hunt's Botanic Pills, the effects of which were visable in a few days, and by a continuance of the medicine (according to directions.) his strength became completely restored, and a sound state of health, was happily established.

To Dr. Jayne.—Dear Sir: I have made use for your Expectorant, personally and in my family, for the last six, years with great benefit. Indeed I may consider my life prolonged by the use of this valuable medicine under the blessing of God, for several years. I may say almost as much in the case of my wife, and also of the Rev. Mr. Tinson, of the Island of Jamagca. For all cases of cough, inflammation of the chest lungs, and throat, I do most unhesitatingly recommend this as the that others american as I have been had a persuaded they will, by using your Expectorant.

FEMALE MONTHLY PILLS. HESE Pills are strongly recommended to the notice of the ladics as a safe and efficient remedy in removing those complaints peculiar to their sex, from want of exercise, or general Debility of the System, Obstructions, Suppressions, and Irregularity of the Menses; at the same time strengthening, cleansing, and giving tone to the Stomach and Bowels, and producing a new and healthy action throughout the system generally. They create Appetic, correct Indigestion, remove Giddiness and Nervous Headache and are eminently useful in those flatulent complaints which distress Females so much at the "Turn or Life." They obviate costiveness, and counteract all Hysterical and Ner-

vous Affections, &c. &c. They invariably restore the pallid and delicate female to health and vigor. These Pills have gained the sanction and appre bation of the most eminent Physicians in the United States, and many mothers can likewise testify to their extraordinary efficacy. To married females, whose expectations of the tenderest pledges of connu bial happiness have been defeated, these Pills may be truly esteemed a blissful boon. They soon reno vale all functional debility, and if taken (according to directions,) obviate all morbid action. They dis pel that fulsome and disagreeable sensation common to f males at each monthly return, likewise the at-ten lant pains in the back, side, or loins; they generally counteract the nausea, vomiting, and other nervous affections in cholorosis, or green sickness in a few days, (and if continued occording to directions,) soon effect a perfect cure.
