Resolved. That we will use all honorable means along said 20 feet wide street north 70 degrees 12 bounded by lands of John Bixler, George Maurer, to oppose the re-election of Martin Van Buten. Because he has shown himself totally unqualified to be the President of a Free People.

Because he has wasted the money of the People by his foolish and extravagant expenditures. Because he has taken possession of the treasury

of the nation against the expressed will of the People Because he has asked for a Standing Army in a time of peace, compelling poor men to equip themselves at their own expense, and drag them away from their families for no earthly use except to gratify his will, and increase his power over the People.

Because he is in favour of the reduction of the wages of poor men, and bringing the standard to that of the countries of Europe.

Because he looks to Monarchs and foreign Potantates for information respecting the laws necessary for American Freemen, instead of consulting the wishes of the People at home.

Because we are in favor of universal suffrage and of the right of voting to poor men, and will on those grounds oppose Mr. Van Buren, he having while in the New York Convention, advocated a property qualification which would have deprived every poor man who was not a householder of that right.

Resolved. That in taxation it is the landed interest that is most affected, and, therefore, we consider it important that a candidate for Representative should of an additional tax being proposed, that they may have an advocate to prevent its passage.

Resolved. That we approve of the nomination of the Hon. H. King as a Representative in Congress from this district, and we will use all honorable means to ensure his election.

Resolved. That the farming interests of Schuylkill county, have not of late years, been represented in our Legislature by a person of that useful and respectable class of our citizens, a farmer; that in Capt. Daniel B. Kershner, we present a Candidate from the mass of the People, a candidate who has never sought, or asked for an office, and consequently better calculated to fill it with honesty, of motive, and usefulness to our country.

Resolved. That we pledge ourselves to use our influence, to secure the election of the persons placed this day upon the Democratic ticket, and confidently recommend it to the freemen of this county, as in every way worthy of their support. The Candidates being taken from the mass of the People.

Resolved. That the proceedings be signed by the officers and published in the Miner's Journal, and Freiheits Press, and all others favourable to the cause. G N. ECKERT, President.
