In about one week it ceased to fal off. Haddonfield, February 12, 1839. Dr. D. Jayne-Sir: I take pleasure in informing ou that the bottle of Alibert's Hair Tonic which I obtained of you last October, has proved most sails factory and successful. My hair had for a long time been exceedingly thin. But for two or three years past it had so fallen out, that my head had be come almost entirely hald. I was under the neces sity of concealing the haldness by combing the hair on the sides of it. But now after using about half of a bottle of the Tonic, I have as luxuriant a growth of hair as I ever had.

The Rev Leonard Fletcher, Paster of the Baptist church at Great Valley, Pa., who had been more or less bald for many years, used three bottles of the Hair Tonic, and has a fine growth of new hair, over all that part of his head where he was before hald. writes-

"My hair is growing finely, I assure vou."

Westchester, Pa., March 2, 1839. Mr. Bond, one of the Compositors in the office of he Philadelphia Public Ledger, who had lost nearly all his hair from off the top of his head, has had it completely restored by the use of this Tonic. Two Officers of the American Navy had good heads of hair restored to them by using five hottler each of this Hair Tonic, one of whom was over sixty years of age. Four gentlemen connected with the rubbic press in Philadelphia, have also had their baldness emoved by using this remedy. The Rev Mr. Parker, Pastor of the Presbyterian Church in Delaware county, Pa., who was completely bald over all the top of his head, and was also becoming considerably gray, has used only two bottles of this tonic, and has not only a luxuriant growth of new hair upon his head, but all the gray hairs have disappeared, and their places have been supplied by healthy hair of a natural colour. Finally, nine cases of baldness out of every ten, may positively be removed by a taithful application of this invaluable remody.

There is, therefore, now no excuse for a baldhead. Prepared only by Dr D. JAYNE, sole proprietor, No. 20, South Third street, Philadelphi. Price \$1 The above valuable Hair Tonic may he had in Pottsville, of Clemens & Parvin, and of Wm. T. Ep.

The Blood has hitherto been considered by Empirice and others, as the great regulator of the human system, and such is the devotedness of the adherents to that erroneous doctrine, that they content them-selves with the simple possession of this fallacious, opinion, without enquiring it to the primary sources from whence Life, Health, and Vigor emanate, and vice versa, pain, sickness, disease and death. Not so with Dr. HUNT, whose extensive research and practical experience so eminently quality him for the oferaion of which he has been one of the most me ful members. He contends-and a moment's reflection will convince any reasoning mind of the correct ness of his views—that the stomach, liver, and the associated organs are the primary and great regula ture of health, and that the blood in very, many instances is dependent on these organs, and that unless medicine reaches THE ROOT OF THE DISEASE, the superficial anodynes usually prescribed, sevre but as foils to cover the ravages of deed-rooted maladies. Under these convictions, at the expense of years of close application, the doctor has discovered a medicine whose searching powers are irresistible, and in prescribing, it is with a knowledge of its being a radical cure in the various diseases already enumerated, even if applied in the most critical cases, but

he does not intend to prescribe to HUNT'S BOTANIC PILLS a supernatural agency, although from positive proofs within the knowledge of hundreds, he is prepared to shew, that when every other earthly remedy has been

given up, HUNT'S BOTANIC PILLS have never been known to tail in effecting two very gratifying results, that of raising from the bed of sickness and disease those who have tested their effi eacy, and thus amply rewarding Dr. Hunt for his ong and anxious study to attain this perfection in

the HEALING ART. The extraordinary success which has attended the use of HUNT'S BOTANIC PILLS, in the best criterion of their superior virtues. They have been the means of raising a host of languishing patients from the bed of affliction, as is clearly evinced in

CERTIFICATES.

Dyspepsia or Indigestion Effectually Cured. Mr. Wm. Tucker, having lately been restored to sound state of health, through the efficacy of DR. HUNT'S BOTANIC PILLS, thinks it on indispensuble duty to state certain tacts relative to the dis ense under which he had so long suffered. The symptoms were-a painful obstruction, with a con, stant rejection of food, head ache, palp heart, lowness of spirits, a troublesome dry cough, dizziness, lightness at the chest and difficulty of breathing, almost constant pain in the side, loing, and shoulders, accompanied with much languar and debility. These afflictions, together with an unusual degree of flatulence, brought on such a state of extreme weakness, as to prevent him from attending to his busines, and his health appeared lost beyond recovery. His friends and relatives became alarmed at the melancholy prospect, and strongly recoinnended HUNT'S BOTANIC PILLS-they were administered, and in a few days produced astonishing relief, and finally realized a perfect restoration WILLIAM TUCKER. o sound health.

Liver Complaint, with much Derangement of the Nervova System. Mr. Joshua Roberts was afflicted with a billions and nervous disease to an alarming degree, being attended with all the distressing symptoms which affects relaxed constitution, viz .— A sick head-ache loss of appetite, giddiness in the head, pain in the

sto nach after eating, usual tremors, shifting spasmodic pains in every part of the body, cold chillt sa low complexion, costiveness, and a constant dul pain in the right sice, which often induced the most dreadful debility indice, he bought he was afflic ed with every internal complaint the human hady is hable to. He was generally making trial of various remedies, all of which were equally fruitless, unte he had recourse to Hunt's Botanic Pills, from the superior virtues of which medicine his health is per tectly re-established, and is now able to pursue his

employment free from pain or disease.

JOSHUA ROBERTS.

Auextraordinary case of Rheumatism, accompanied with Diarrhaa and Nervous Debility. Mr Joseph Hart, from being exposed to cold, was attacked with a most painful Rheumatic complaint in the head, and neck, which continued with distressing violence for several months. The principle symptoms were-a swelling and excruciating pain of all the joints, and an entire loss of their use; both the pain and the lever generally suffered an increase in the evening. The pairs were increased on the slightest motion, and were more severe in the night time. A constant diarrhen, which produced its general consequences—flatulency, lowness of spirits, and general wasting of the body. He was indeed so extremely ill that his medical attendant could not possibly give the least hopes of his recovery, and it

was generally believed by his relatives and friends

that all the medicines or treatment in this world

could not give him any relief. But seeing on ad-

vertisement on Hom's Botanic Pills, he was directed

by an Almighty Providence to use them; he did so,

and ofter a fortnight they produced a tavorable change, and he is now a healthy and strong man. JOSEPH HART. An interesting case of Lowness of Spirits, with a vi-

olent Spasmodic Affection. Mr. Francis Caldwell was afflicted for several years with extreme debility, together with a train of symptoms generally termed nervous affections, and which, perhaps, it would be impossible for the pen of the most learned physicians to describe. In this case the spasms in the stomach were so frequent and excruciating as nearly to deprive him of reason pains in the limbs, extending even to the fingers and toes, flatulence, sickness at the stomach, and a general agitation of the whole system, insomuch that common incident rendered the mind imid and apprehensive. In order to remove there dis ressing ymptoms, and restore the constitution to its former energy, a large portion of medical skill had been exhausted without any advantage; change of air, and other remedies were also unavailing, and the mind and body appeared to be devoted to a ruthless disease. In this hopeless and languid situation, Mr laidwell was recommended to make trial of Hunt's Botanic Pills, the effects of which were visable in a few days, and by a continuance of the medicina (according to directions.) his strength became completely restored, and a sound state of health, was

happily established. REWARE OF COUNTERFEITS. Caution - Re particular in purchasing to see hat the label of this Medicine contains a notice o its entry according to Act of Congress. And be likewise particular in obtaining them at 100 Chatham street. New York, or from the
