Celebrated Botanic Health & Life Preserver. ger's medicine has never been offered to the public for sale until of late, the proprietors have been prevailed upon to offer it for the benefit of those who are laboring under any of the diseases here enumerated, viz: "Cancers, Ulcers of the throat and body Liver complaint, Spitting of Blood, Whooping Cough, Rhoutnatic officetions in the head and body, Colds of long standing attended with sewere pain upon the breast, Consumption in many Dases, where the patient had been abandoned by the Physician and pronounced an incurable case, this medicine has had the most wonderful effect." The proprietors are well aware of the numerous medicines that are already offered to the public for the cure of some of the above discases, many of which have not the slightest effect of performing at any time a cure-but the numerous testimonials which have of late been given to them, by some of the most respectable citizens, shows that there can no longer be any doubt as regards the medicine

which they now offer, and would say to those afflicted-give it a trial-adhere to its directions, and we will warrant a permanent cure. Certificates of come of the most remarkable cures can be seen by calling upon any of the Agents. Directions for using the medicine will be found to ac company each bottle.

THIS Medicine is particularly recommended at this season of the year, as an alterative and a purifier of the blood. It gives a tone and vigor to debilitated constitutions, which invalids are unconscious of until they have experienced its effects.

It is also recommended in Diseases where the lungs

and breast are supposed to be affected, and also where the constitution is broken down by the use of Mercury or Oninine : THIS MEDICINE has the singular fortune a just tribule to its great merit, of being reccommended by the most celebrated Practitioners of Medicine in the United States and Enrope; whereas not one of the spurious mixtures, made in unitation of it, has the least support from the Medical Faculty. This fact offers an argument so plain and conclusive that

it needs only to be mentioned to enforce conviction. Bwaim's Panacea is recommended to all those invalide for whom Physicians prescribe Sarsaparilla Syr no. Extracts, &c. Prepared at Swalm's Labaratory, Philadelphia.

OF all the remedies ever devised forthe restoration and preservation of the Hair, nothing has been found equal to Alibert's Oleaginous Hair Tonic It seldom fails to restore the hair to health and beau ty. Many who were bald three months ago, can now exhibit luxuriant heads of hair by the use of it.

Copy of a letter from Dr. S. S. Fitch.

Philadelphia, May 10, 1838. Dr. JAYNE-Dear Sir: I feel that I can hardly by enough to you in favor of Alibert's Hair Tonic, sold by you. My hair had been falling off about wo years, and had become very thin, inreatening peedy baldness, when I commenced using this rem dy. In about one week it ceased to fal off. I ave used it now about three months, and have as all and thick a head of hair as I can possibly desire. I have recommended its use to a number of my triends, who all speak well of it. It faithfully em played. I have no doubt of its general success. may add that before using the Tonic, I had tried al. most all the various articles employed for the hair such as the Macassar Oil, all the different prepara tions of bear's oil, vegetable hair oil, &c. withou experiencing much, if any benefit.

Jayne-Sir: I take pleasure in informing on that the bottle of Alibert's Hair Tonic which I obtained of you last October, has proved most sails. factory and successful. My hair had for a long time been exceedingly thin. But for two or three years past it had so fallen out, that my head had become almost entirely hald. I was under the neces sity of concealing the baldness by combing the bair on the sides of it. But now after using about half of a bottle of the Tonic, I have as luxuriant a growth

of hair as I ever had. C. C. PARK. The Rev Leonard Fletcher, Pastor of the Baptist church at Great Valley, Pa., who had been more or less bald for many years, used three bottles of the Hair Tonic, and has a fine growth of new hair, ov all that part of his head where he was before

bald, writes—

Mr. Bond, one of the Compositors in the office of the Philadelphia Public Ledger, who had lost nearly all his hair from off the top of his head, has had it completely restored by the use of this Tonic. Two Officers of the American Navy had good heads of hair restored to them by using five bottles each of this Hair Tonic, one of whom was over sixty years of age. Four gentlemen connected with the public press in Philadelphia, have also had their baldness removed by using this remedy. The Rev Mr. Park-er, Pastor of the Presbyterian Church in Delaware county, Pa., who was completely bald over all the top of his head, and was also becoming considerably gray, has used only two bottles of this tonic, and has not only a luxuriant growth of new hair upon his head, but all the gray hairs have disappeared, and their places have been supplied by healthy hair of a natural colour. Finally, nine cases of baldness out of every ten, may positively be removed by a taithful application of this invaluable remedy.— There is, therefore, now no excuse for a baldhead.

It is positively the strongest pre paration in existence, one bottle of it (which costs but one dollar) being equal to one gallon of Syrup, as it is usually prepared in the shops, and equal to two bottles. of any other extract. Dr. Leidy begs leave to state that he himself prepares it, and can consequently youch for its strength. Numerous Physicians throughout the United States, give it the preference over all other preparations of Sarsaparilla, both from the fact of its superior rations of Sarsaparilla, both from the fact of its superior strength (consequently efficacious when employed) and from the circumstance of its being prepared by a regular Apothecary and Physician, attested by Dr. Physic, Chapman, Jackson, Horner, Gibson, Dewees, James, Coxe. &c. &.

It is useless here to name the numerous affections therein Sarsaparilla is considered the sole Specific.-Suffice it to say, it is recommended by all Physicians throughout the world, in diseases of Skin, Bones, Liver. &c, and particularly all diseases produced by impurities of the blood and animal fluids. As a purifier of the blood, it is at all times (and particularly in the Spring and Fall) invaluable. The Blood has hitherto been considered by Empirics and others, as the great regulator of the human system, and such is the devotedness of the adherents to that erroneous doctrine, that they content themselves with the simple possession of this fullacious, opinion, without enquiring into the primary sources from whence Life, Health, and Vigor emanate, and vice versa, pain, suckness, disease and death. Not so with Dr. Hunt, whose extensive research and practical experience so eminently qualify him for the rofession of which he has been one of the most use ful members. He contends—and a moment's reflec-tion will convince any reasoning mind of the correct ness of his views-that the stomach, liver, and the associated organs are the primary and great regula turn of health, and that the blood in very many instances is dependent on these organs, and that unless me licine reaches THE ROOT OF THE DISEASE, the superficial anodynes usually prescribed, sevre but as foils to cover the ravages of deed-rooted maladies. Under these convictions, at the expense of years of close application, the doctor has discovered a medicine whose searching powers are irresistible, and in prescribing, it is with a knowledge of its being a radical cure in the various diseases alresdy enumer. ited, even if applied in the most critical cases, but

ne does not intend to prescribe to HUNT'S BOTANIC PILLS supernatural agency, although from pusitive proofs vithin the knowledge of hundreds, he is prepared to shew, that when every other earthly remedy has been

HUNT'S BOTANIC PILLS have never been known to fail in effecting two very gratifying results, that of raising from the bed of sickness and discuss those who have tested their effi ency, and thus amply rewarding Dr. Bunt for his long and anxious study to attain this perfection in

the HEALING ART. The extraordinary success which has attended the use of HUNT'S BOTANIC PILLS, is the best criterion of their superior virtues. They have been the means of raising a host of languishing patients from the bed of affliction, as is clearly evinced in the following

CERTIFICATES. Dyspepsia or Indigestion Effectually Cured. Mr. Wm. Tucker, having lately been restored to a sound state of health, through the efficacy of DR. HUNT'S BOTANIC PILLS, thinks it an indispen suble duty to state certain facts relative to the dis ease under which he had so long suffered. The symptoms were—a painful obstruction, with a con. stant rejection of food, head ache, pulpitation of the heart, lowness of spirits, a troublesonic dry cough, dizziness, tightness at the chest and difficulty of breathing, almost constant pain in the side, loins, and shoulders, accompanied with much languor and debility. These afflictions, together with an unusual degree of flatulence, brought on such a state of extreme weakness, as to prevent him from attending to his busines, and his health appeared lost beyond recovery. His friends and relatives became slarmed at the melancholy prospect, and strongly recom-mended HUNT'S BOTANIC PILLS—they were administered, and in a few days produced astonishing relief, and finally realized a pertect restoration to sound health. WILLIAM TUCKER.

Liver Complaint, with much Derangement of the Nervovs System Mr. Joshua Roberts was afflicted with a billions and nervous disease to an alarming degree, being attended with all the distressing symptoms which affect a relaxed constitution, viz .- A sick head-ache loss of appetite, giddiness in the head, pain in the sto nach after eating, usual tremors, shifting spasmodic pains in every part of the body, cold chillt sallow complexion, costiveness, and a constant dul pain in the right side, which often induced the most dreadful debility indeed, he thought he was afflic ed with every internal complaint the human body is liable to. He was generally making trial of various remedies, all of which were equally finitless, unte he had recourse to Hunt's Botanic Pille, from thsuperior virtues of which medicine his health is per feetly re-established, and is now able to pursue his

employment free from pain or disease.
JOSHUA ROBERTS. Auextraordinary case of Rheumatism, accompanied with Diarrhea and Nervous Debility. Mr. Joseph Hart, from being exposed to cold, was ttacked with a most painful Rheumatic complain: in the head, and neck, which continued with distressing violence for several months. The principle symptoms were—a swelling and excruciating pain of all the joints, and an entire loss of their use; both the pain and the fever generally suffered an increase in the evening. The pairs were increased on the slightest motion, and were more severe in the night time. A constant diarrhea, which produced its general consequences—flatulency, lowness of spirits, and general wasting of the body. He was indeed so extremely ill that his medical attendant could not possibly give the least hopes of his recovery, and it was generally believed by his relatives and friends that all the medicines or treatment in this world could not give him any relief. But seeing an advertisement on Hunt's Botanic Pills, he was directed by an Almighty Providence to use them; he did so, and after a fortnight they produced a tavorable change, and he is now a healthy and strong man.

JOSEPH HART. An interesting case of Lowness of Spirits, with a violent Spasmodic Affection. Mr. Francis Caldwell was afflicted for several years

with extreme debility, together with a train of sympoms generally termed nervous offections, and which, perhaps, it would be impossible for the pen of the most learned physicians to describe. In this case the spasms in the stomach were so frequent and excruciating as nearly to deprive him of reason pains in the limbs, extending even to the fingers and toes, flatulence, sickness at the stomach, and a general agitation of the whole system, insomuch that common incident rendered the mind limid and aprehensive. In order to remove these dis ressing symptoms, and restore the constitution to its former nergy, a large portion of medical skill had been exhausted without any advantage; change of air, and other remedies were also unavailing, and the mind and body appeared to be devoted to a ruthless disease. In this hopeless and languid situation, Mr Caldwell was recommended to make trial of Hunt's Botanic Pills, the effects of which were visable in a few days, and by a continuance of the medicine (according to directions) his strength became cumpletely restored, and a sound state of health, was happily established.
