The extraordinary success which has attended the use of HUNT'S BOTANIC PILLS, is the best criterion of their superior virtues. They have been the means of raising a host of languishing patients from the bed of affliction, as is clearly evinced in the following CERTIFICATES.

Dyspepsia or Indigestion Effectually Cured. Mr. Wm. Tucker, having lately been restored on a sound state of health, through the efficacy of DR-HUNT'S BOTANIC PILLS, thinks it an indispensable duty to state certain facts relative to the discusse under which he had so long suffered. The symptoms were—a painful obstruction, with a constant rejection of food, head ache, palpithtion of the heart, lowness of spirits, a troublesome dry cough, dizzness, tightness at the chest and difficulty of breathing, almost constant pain in the side, loins, and shoulders, accompanied with much languor and debility. These afflictions, together will an unusual degree of flatulence, brought on such a state of extreme weakness, as to prevent him from attending to his busines, and his health appeared lost beyond recovery. olent Spasmodic Affection. Mr. Francis Caldwell was afflicted for several years with extreme debility, together with a train of symptoms generally termed nervous affections, and which, perhaps, it would be impossible for the pen of the most fearned physicians to describe. In this case the spasms in the stomach were so frequent and exeruciating as nearly to deprive him of reason pains in the limbs, extending even to the fingers and toes, flatulence, sickness at the stomach, and a general agitation of the whole system, insomuch that a common mei fent rendered the mind timid and apprehensive. In order-to remove these dis ressing symptoms, and restore the constitution to its former energy, a large portion of medical skill had been exhausted without any advantage ; change of air, and other remedies were also unavailing, and the mind and body appeared to be devoted to a ruthless discase. In this hopeless and languin situation, Mr. Caldwell was recommended to make trial of Hunt's Botanic Pills, the effects of which were visable in a few days, and by a continuance of the medicine (according to directions.) his strength became completely restored, and a sound state of health, was happily established.
