HUNT'S BOTANIC PILLS. INTERESTING AND APPLICABLE TO THE AFFLICTED.

with Diseases of the Stomach, or Nerves; Such as DYSPEPSIA, either Chronic or Acute, and the worst symptoms of realness, LOW SUFFERING, whether of the Lungs or Liver, LIVER AFFECTIONS; JAUNDICE, both Bilious and Spasmodic, COSTIVENESS, WORMS, or other every variety—RHEUMATISM, whether Acute or Chronic—together with GOUT, SCROFULA or Pimples in the Head, Back, Limbs, and Side, TYPHUS FEVER, SCARLET FEVER, Putrid Sores Throat, FEVER and AGUE, Spasmodic Palpitations of the Heart and Arteries, Nervous Irritability, Nervous Weakness, Hysterics, Tic Douloureux, Cramps, Female Obstructions, Heartburn, Headache, Cough, the Common or Humid Cough, or the Whooping, ASTHMA, Gravel and Dropsy.

The Blood has hitherto been considered by Empirics and others, as the great regulator of the human system, and such is the devotedness of the adherents to that erroneous doctrine, that they have endeavored to cure the most distressing diseases, by the use of blood purifiers, without enquiring into the primary sources from whence Life, Health, and Vigor emanate, and vice versa, pain, sickness, disease and death. Not so with Dr. Hunt, whose extensive research and practical experience eminently qualify him for the profession of which he has been one of the most useful members. He contends—and a moment's reflection will convince any reasoning mind of the correctness of his views—that the stomach, liver, and the associated organs are the primary and great regulators of health, and that the blood in very many instances is dependent on the state of these organs. THE ROOT OF THE DISEASE, the superficial remedies usually prescribed, will be as soot to cover the ravages of decreed malady. Under these convictions, at the expense of years of close application, the doctor has discovered a medicine whose searching powers are irresistible, and in every case, it is with a knowledge of its being a radical cure in the various diseases already enumerated, even if applied in the most critical cases, but he does not intend to prescribe to

HUNT'S BOTANIC PILLS. A supernatural agency, although from positive proofs within the knowledge of hundreds, he is prepared to show, that when every other earthly remedy has been given up.

HUNT'S BOTANIC PILLS. The extraordinary success which has attended the use of HUNT'S BOTANIC PILLS, is the result of the operation of their superior virtues. They have been the means of raising a host of languishing patients from the bed of affliction, as is clearly evinced in the following CERTIFICATES.

Dyspepsia or Indigestion Effectually Cured. Mr. Wm. Tucker, having lately been restored to a sound state of health, through the efficacy of DR HUNT'S BOTANIC PILLS, thinks it an indispensable duty to state certain facts relative to the disease under which he had so long suffered. The symptoms were—a painful obstruction, with a constant rejection of food, head ache, palpitation of the heart, loss of spirits, a troublesome dry cough, dizziness, tightness at the chest and difficulty of breathing, almost constant pain in the side, loins, and shoulders, accompanied with much languor and debility. These affections, together with an unusual degree of fatulence, brought on such a state of extreme weakness, as to prevent him from attending to his business, and his health appeared lost beyond recovery. His friends and relatives became alarmed at the melancholy prospect, and strongly recommended HUNT'S BOTANIC PILLS—they were administered, and in a few days produced astonishing relief, and finally realized a perfect restoration to sound health. WILLIAM TUCKER.

Liver Complaint, with much Derangement of the Nervous System. Mr. Joshua Roberts was afflicted with a bilious and nervous disease to an alarming degree, being attended with all the distressing symptoms which affect a relaxed constitution, viz.—A sick head-ache, loss of appetite, giddiness in the head, pain in the side, and a tremulous, shifting spasm, which rendered every part of the body, especially the face, pale, and a constant pain in the right side, which often induced the most dreadful debility—indeed, he thought he was afflicted with every internal complaint the human body is liable to. He was generally making trial of various remedies, all of which were equally useless, until he had recourse to Hunt's Botanic Pills, which he had purchased from a friend, and he was perfectly re-established, and is now able to pursue his employment free from pain or disease.

Unusual case of Rheumatism, accompanied with Diarrhea and Nervous Debility. Mr. Joseph Hart, from being exposed to cold, was attacked with a most painful Rheumatic complaint in the head, and neck, which continued with distressing violence for several months. The principal symptoms were—a swelling and excruciating pain of the joints, and an entire loss of their use; both the pain and the fever generally subsided in the evening. The pain was more severe in the night, and was more so in the morning. A constant diarrhoea, which produced its general consequence—flatulency, looseness of spirits, and general wasting of the body. He was indeed so debilitated, that he was unable to attend to his business, and he thought he was in a hopeless state, until he was directed to use Hunt's Botanic Pills, which he did, and after a fortnight they produced a favorable change, and he is now a healthy and strong man. JOSEPH HART.

An interesting case of Looseness of Spirits, with a violent Spasmodic Affection. Mr. Francis Caldwell was afflicted for several years with extreme debility, together with a train of symptoms generally termed nervous affections, and which, perhaps, it would be impossible for the pen of the most learned physician to describe. In this case the spasms in the stomach were so frequent and excruciating as nearly to deprive him of reason and sleep, extending even to the fingers and toes, flatulency, sickness at the stomach, and a general aversion to the whole system, insomuch that a common and fast rendered the mind almost unmanageable. In order to remove these distressing symptoms, and restore the constitution to its former energy, a large portion of medical skill had been exhausted without any advantage; change of air, and other remedies were also unavailing, and the mind and body appeared to be devolved to a hopeless state. In this hopeless and languid situation, Mr. Caldwell was recommended to make trial of Hunt's Botanic Pills, the effects of which were visible in a few days, and by a continuance of the medicine (according to directions) his strength became completely restored, and a sound state of health was happily established.

Dr. Leidy's Medicated Extract of Sarsaparilla. To the World.

If you wish to make use of Sarsaparilla, be advised to use Dr. LEIDY'S MEDICATED EXTRACT OF SASSAPARILLA. It is positively the strongest preparation in existence: one bottle of it (which costs but one dollar) being equal to one gallon of Syrup, as it is usually prepared in the shops, and equal to two bottles of any other extract. Dr. Leidy begs leave to state that he himself prepares it, and can consequently vouch for its strength. Numerous Physicians throughout the United States, give the preference over all other preparations of Sarsaparilla, both from the fact of its superior strength (consequently efficacious when employed) and from the circumstance of its being prepared by a regular Apothecary and Physician, assisted by Dr. Physic. Chapman, Jackson, Homer, Gibson, Devereux, James, Coze, &c., &c.

It is useless here to name the numerous affections wherein Sarsaparilla is considered the best Remedy. Suffice it to say, it is recommended by all Physicians throughout the world, in diseases of Skin, Bones, Liver, &c., and particularly all diseases produced by impurities of the blood and animal fluids. Mr. J. McKenzie, of New York, writes in a letter to Dr. Leidy, "I have used your Sarsaparilla, both from the fact of its superior strength (consequently efficacious when employed) and from the circumstance of its being prepared by a regular Apothecary and Physician, assisted by Dr. Physic. Chapman, Jackson, Homer, Gibson, Devereux, James, Coze, &c., &c."
