### Yeager's & Albright's

Celebrated Botanic Health & Life Preserver. HIS Medicine known for many years as Yen-ger's medicine has never been offered to the public for sale until of late, the proprietors have been prevailed upon to affer it for the benefit of those who are laboring under any of the diseases here enumerated, viz.: "Cancers, Ulcers of the throat and body, Liver complaint, Spitting of Blood, Whooping Cough, Rheunatic affections in the heard body, Colds of long standing attended with second control of the control of vere pain upon the breast. Consumption in many cases, where the patient had been abandoned by the Physician, and pronounced an incurable case, this medicine has had the most wonderf il effect."

The proprietors are well aware of the numerous medicines that are already offered to the public for the cure of some of the above diseases, many of which have not the slightest effect of performing at any time a cure-but the numerous testimonials which have of late been given to them, by some of the most respectable citizens, shows that there can no longer be any doubt as regards the nedicine which they now offer, and would say to those afflic-ted—give it a trial—adhere to its directions, and we will warrant a permanent cure.

Certificates of some of the most remarkable cures can be seen by calling upon any of the Agents. Directions for using the medicine will be found to ac

#### SWAIM'S PANACEA.

THIS Medicine is particularly recommended at this season of the year, as an alterative and a purifier of the blood. It gives a tone and vigor to debilitated constitutions, which invalids are uncon-scious of until they have experienced its effects. It is also recommended in Diseases where the lungs and breast are supposed to be affected, and also where the constitution is broken down by the use of Mercury or Quinine;
THIS MEDICINE has the singular fortune

just tribute to its great merit, of being reccommend ed by the most celebrated Practitioners of Medicine in the United States and Europe; whereas not one of the spurious mixtures, made in imitation of it, has the least support from the Medical Faculty. This fact offers an argument so plain and conclusive, that it needs only to be mentioned to enforce conviction. Swaim's Panacea is recommended to all those invalids for whom Physicians prescribe Sarsaparilla Syr ups, Extracts, &c. a Prepared at Swaim's Laburatory, Philadelphia

HUNT'S BOTANIC PILLS. INTERESTING AND APPLICABLE TO

THE AFFLICTED,

with Diseases of the Stomach, or Nerves; Such as DYSPEPSIA, either Chronic or Casua Palpitations of the Heart and Arteries, Nervous Irritability, Nervous Weakness, Hysterics, Tic Doulonreux, Cramps, Female Obstructions, Heart. burn, Headache, Cough, the Common or Humid and the Dry or the Whooping; ASTHMA, Gravel and Dropsy.

The Blood has hitherto been considered by Empi. rics and others, as the great regulator of the human system, and such is the devotedness of the adherents to that erroneous doctrine, that they content theinselves with the simple possession of this fallacious opinion, without enquiring into the primary sources from whence Life, Health, and Vigor emanate, and vice versa, pain, sickness, disease and death. Not so with Dr. Hunt, whose extensive research and practical experience so eminently qualify him for the profession of which he has been one of the most use ful members. He contends—and a moment's reflec tion will convince any reasoning mind of the correct ness of his views-that the stomach, liver, and the associated organs are the primary and great regula-tors of health, and that the blood in very many in stances is dependent on these organs, and that unless medicine reaches THE ROOT OF THE DISEASE, the superficial anodynes usually prescribed, sevre but as foils to cover the ravages of deed-rooted maladies. Under these convictions, at the expense of years of close application, the doctor has discovered a medicine whose searching powers are îrresistible, and in prescribing, it is with a knowledge of its being a radical cure in the various diseases already enumerated, even if applied in the most critical cases, but he does not intend to prescribe to

HUNT'S BOTANIC PILLS a supernatural agency, although from positive proofs within the knowledge of hundreds, he is prepared to shew that when every other earthly remedy has been

HUNT'S BOTANIC PILLS have never been known to fail in effecting two very gratifying results, that of raising from the bed of sickness and disease those who have tested their efficacy, and thus amply rewarding Dr. Hunt for his long and anxious study to attain this perfection in the Healing Art.

The extraordinary success which has attended the use of HUNT'S BOTANIC PILLS, is the best criterion of their superior virtues. They have been the means of raising a host of languishing patients from the bed of affliction, as is clearly evinced in

the following CERTIFICATES.

Dyspepsia or Indigestion Effectually Cured. Mr. Wm. Tucker, having lately been restored of sound state of health, through the efficacy of DR HUNT'S BOTANIC PILLS, thinks it an indispen sable duty to state certain facts relative to the di ease under which he had so long suffered. The symptoms were-a painful obstruction, with a contant rejection of food, head ache, palpitation of the neart, lowness of spirits, a troublesome dry cough, dizziness, tightness at the chest and difficulty of breathing, almost constant pain in the side, loins, and shoulders, accompanied with much languor and debility. These afflictions, together with an unusual degree of flatulence, brought on such a state of extreme weakness, as to prevent him from attending to his busines, and his health appeared lost beyond recovery. His friends and relatives became alarmed at the melancholy prospect, and strongly recoinmended HUNT'S BOTANIC PILLS—they were administered, and in a few days produced astonishing relief, and finally realized a pertect restoration to sound health. WILLIAM TUCKER.

Liver Complaint, with much Derangement of the and nervous disease to an alarming degree, being attended with all the distressing symptoms which affect a relaxed constitution, viz .- A sick head-ache loss of appetite, giddiness in the head, pain in the sto nach after eating, usual tremors, shifting spas-modic pains in every part of the body, cold chill, sallow complexion, costiveness, and a constant dull pain in the right side, which often induced the most dreadful debility; indeed, he thought he was afflict ed with every internal complaint the human body is liable to. He was generally making trial of various remedies, all of which were equally fruitless, unt-he had recourse to Hunt's Bolanic Pills, from the superior virtues of which medicine his health is per ectly re-established, and is now able to pursue his

employment free from pain or disease. JOSHUA ROBERTS.

Auextraordinary case of Rheumatism, accompanied

with Diarrhaa and Nervous Debility. Mr. Joseph Hart, from being exposed to cold, was attacked with a most painful Rheumatic complaint in the head, and neck, which continued with distressing violence for several months. The principle symptoms were—a swelling and excruciating pain of all the joints, and an entire loss of their use; both the pain and the fever generally suffered an increase in the evening. The pairs were increased on the slightest motion, and were more severe in the night time. A constant diarrhœa, which produced its general consequences—flatulency, lowness of spirits, and general wasting of the body. He was indeed so extremely ill that his medical attendant could not possibly give the least hopes of his recovery, and it was generally believed by his relatives and friends that all the medicines or treatment in this world could not give him any relief. But seeing an ad vertisement on Hunt's Botanic Pills, he was directed by an Almighty Providence to use them; he did so, and after a fortnight they produced a tavorable change, and he is now a healthy and strong man.

JOSEPH HART. An interesting case of Lowness of Spirits, with a violent Spasmodic Affection.

Mr. Francis Caldwell was afflicted for several years with extreme debility, together with a train of symptoms generally termed nervous affections, and which, perhaps, it would be impossible for the pen of the most learned physicians to describe. In this case the spasms in the stomach were so frequent and exeruciating as nearly to deprive him of reason pains in the limbs, extending even to the fingers and toes, flatulence, sickness at the stomach, and a general agitation of the whole system, insomuch that common incident rendered the mind timid and apprehensive. In order to remove these distressing symptoms, and restore the constitution to its former energy, a large portion of medical skill had been exhausted without any advantage; change of air, and other remedies were also unavailing, and the mind and body appeared to be devoted to a ruthless disease. In this hopeless and languio situation, Mr-Caldwell was recommended to make trial of Hunt's Botanic Pills, the effects of which were visable in a few days, and by a continuance of the medicine (according to directions,) his strength became comletely restored, and a sound state of health, was appily established.

BEWARE OF COUNTERFEITS. Caution.—Be particular in purchasing to see that the label of this Medicine contains a notice o its entry according to Act of Congress. And be like wise particular in obtaining them at 100 Chatham street. New York, or from the REGULAR AGENTS.
