D Celebrated Botanic Health & Life Preserver. HIS Medicine known for many years as Year ger's medicine has never been offered to the public for sale until of late, the proprietors have been prevailed upon to offer it for the benefit of those who are laboring under any of the diseases here enumerated, viz: "Cancers Ulcers of the throat and body, Liver complaint, Spitting of Blood, Whooping Cough, Rheumatic affections in the bead and body, Colds of long standing attended with severe pain upon the breast, Consumerton in many cases, where the patient had been abandoned by the Physician, and pronorneed an incurable case, this medicine has had the most wonderf I effect.

The proprietors are well aware of the numerous medicines that are already offered to the public for the cure of some of the above diseases, many of which have not the slightest effect of performing at any time a care—but the numerous testimonials which have of late been given to them, by some of the most respectable citizens, shows that there can no longer be any doubt as regards the medicine which they now offer, and would say to those afflicted-give it a trial-adhere to its directions, and we will warrant a permanent cure.

Certificates of some of the most remarkable cures can be seen by calling upon any of the Agents. Directions for using the medicine will be found to ac company each bottle.

HIS Medicine is particularly recommended at this season of the year, as an alterative and a purifier of the blood. It gives a tone and vigor to debilitated constitutions, which invalids are unconscious of until they have experienced its effects.
It is also recommended in Diseases where the lungs and breast are supposed to be affected, and also where the constitution is broken down by the use of Mercury or Quinine:

THIS MEDICINE has the singular fortune a just tribute to its great merit, of being reccommended by the most celebrated Practitioners of Medicine in the United States and Europe; whereas not one of the spurious mixtures, made in imitation of it, has the least support from the Medical Farulty. This fact of sis an argument so plain and conclusive; that it needs only to be mentioned to enforce conviction. Mosat's Life Pills, and Phœ-

nix Bitters.

FILE perfectly safe, unerring, and successful treatment of almost every species of disease by the use of MOFFAT'S LIFE MEDICINES, is no longer a matter of doubt, as a reference to the exper ience of many thousand patients will satisfactorily prove. Dur-ing the present month alone nearly one hundred cases have come to the knowledge of Mr. Moffat, where the patient has, fo all appearance, effected a permaneat cure by the exclusive and judicious use of the Life Modicines—some eight or ten of these had been considered beyond all hope by their medical attendants. Such ed beyond all hope by their medical stendants. Such happy results are a source of great pleasure to Mr. M. and inspire him with new confidence to recommend the use of his medicines to his fellow-citizens.

The LIFE MEDICINES are a purely VEGETABLE preparation. They are mild and pleasant in their operation, and at the same time thorough—acting rapidly upon the secretions of the system—carrying off all acrimonious humors, and assimilating with and purifying the blood. For this reason, in aggravated cases of Dyspepsia, the Life Medicines will give relief in a shorter space of time than any other prescription. In fever and-Ague, Inflammatory Rheumatism, Fevers of every description, Sick Headache, Heart-hurn, Dizziness in the head, Pairs in the Chest, Flatulency, impaired appetite, and in every disease arising from an impurity of the blood, or a disordered state of the stomach, the use of these Medicines has always proved to be beyond doubt, greatly superior to any other mode of treatment.

All that Mr. Moffer sales of his satisfactories in the late.

All that Mr. Moffat asks of his patients is to be par'i All that Mr. Mossat asks of his patients is to be paricular in taking them strictly according to the directions. It is not by a newspaper notice, or by any thing that he hitself may say in their says, that he hopes to gain credit. It is alone by the results of a fair trial. Is the reader an invalid, and does he wish to know whether the Life Medicines will suit his own case! If so, let him call or send to Mr. Mossat's agent in this place, and procure a copy of the medical Manual, designed as a Domestic Guide to Health; published gratuitously. He will there find enumerated very many extraordinary cases of cure; and perhaps some exactly similar to his own

cure; and perhaps some exactly similar to his own Modfat's Medical Office in New York, 375 Broadway.

Not so with Da Hunt, whose extensive research and practical experience so eminently qualify him for the profession of which he has been o ful members. He contends—and a moment's reflec-tion will convince any reasoning mind of the correct ness of his views-that the stomach, liver, and the associated organs are the primary and great regula-turs of health, and that the blood in very many in stances is dependent on these organs, and that unless medicine reaches THE ROOT OF THE DISEASE, the superficial anadynes usually prescribed, sevre bus as foils to cover the ravages of deed-rooted maladies Under these convictions, at the expense of years of close application, the doctor has discovered a medicine whose searching powers are irresistible, and in prescribing, it is with a knowledge of its being a radical cure in the various diseases already enumer. ated, even if applied in the most critical cases, but he does not intend to prescribe to

HUNTS BOTANIC PILLS supernatural agency, although from positive proofs within the knowledge of hundreds, he is prepared to shew, that when every other earthly remedy has been

given up, HUNT'S BOTANIC PILLS have never been known to fail in effecting two very gratifying results, that of rairing from the bed of elckness and disease those who have tested their effi cacy, and thus amply rewarding Dr. Hunt for his long and anxious study to attain this perfection is the HEALING ART.

The extraordinary success which has attended the use of HUNT'S BOTANIC PILLS, is the best criterion of their superior virtues. They have been the means of raising a host of languishing patients from the bed of affliction, as is clearly evinced in the following CERTIFICATES.

Dyspepsia or Indigestion Effectually Oured. Mr. Wm. Tucker, having lately been restored of

a sound state of health, through the efficacy of DR HUNT'S BOTANIC PILLS, thinks it an indispen sable duty to state certain facts relative to the di ease under which he had so long suffered. The symptoms were—a painful obstruction, with a con stant rejection of food, head ache, pulpitation of the heart. lowness of spirits, a troublesome dry cough, dizziness, tightness at the chest and difficulty of breathing, almost constant pain in the side, loins and shoulders, accompanied with much languor and debility. These afflictions, together with an unusual degree of flatulence, brought on such a state of extreme weakness, as to prevent him from attending to his busines, and his health appeared lost beyond recovery. His friends and relatives became alarmed at the melancholy prospect, and strongly recom-mended HUNT'S BOTANIC PILLS—they were administered, and in a few days produced astonishing relief, and finally realized a perfect restoration to sound health. WILLIAM TUCKER.

Liver Complaint, with much Derangement of the Nervous System. Mr. Joshua Roberts was afflicted with a billious and nervous disease to an alarming degree, being modic pains in every part of the body, cold chill, sallow complexion, costiveness, and a constant dull pain in the right side, which often induced the most dreadful debility; indeed, he thought he was afflict ed with every internal complaint the human body is liable to. He was generally making trial of various remedies, all of which were equally fruitless, unthe had recourse to Hunt's Botanic Pills, from the superior virtues of which medicine his health is perfectly re-established, and is now able to pursue his employment free from pain or disease.

JOSHUA ROBERTS. Auextraordinary case of Rheumatism, accompanied with Diarrhaa and Nervous Debility. Mr. Joseph Hart, from being exposed to cold, was stracked with a most painful Rheumatic complaint in the head, and neck, which continued with disressing violence for several months. The principle symptoms were—a swelling and excruciating pain f all the joints, and an entire loss of their use; both he pain and the fever generally suffered an increase in the evening. The pairs were increased on the slightest motion, and were more severe in the night ime. A constant diarrhea, which produced its general consequences—flatulency, lowness of spirits, and general westing of the body. He was indeed so extremely ill that his medical attendant could not possibly give the least hopes of his recovery, and it was generally believed by his relatives and friends hat all the medicines or treatment in this world could not give him any relief. But seeing an ad vertisement on Hunt's Bolanic Pills, he was directed by an Almighty Providence to use them; he did so, and after a fortnight they produced a tovorable

change, and he is now a healthy and stron JOSEPH HART. JOSEPH HART.

An interesting case of Lowness of Spirits, with a vi olent Spasmodic Affection.

Mr. Francis Caldwell was afflicted for several years with extreme debility, together with a train of symptoms generally termed nervous affections, and which, perhaps, it would be impossible for the pen of the most learned physicians to describe. In this case the spasms in the stomach were so frequent and excruciating as nearly to deprive him of reason pains in the limbs, extending even to the fingers and toes, flatulence, sickness at the stomach, and a general egitation of the whole system, insomuch that a common incident rendered the mind timid and ap. prehensive. In order to remove these discressing symptoms, and restore the constitution to its former energy, a large portion of medical skill had been exhausted without any advantage; change of air, and other remedies were also unavailing, and the mind and body appeared to be devoted to a ruthless dis. case. In this hopeless and languid situation, Mr. Caldwell was recommended to make trial of Hunt's Botanic Pills, the effects of which were visable in a few days, and by a continuence of the medicine (according to directions.) his strength became com pletely restored, and a sound state of health, was bappily established.

Numerous Physicians throughout the United States, give it the preference over all other preparations of Sarsaparilla, both from the fact of its superior strength (consequently efficacious when employed) and from the circumstance of its being prepared by a regular Apothecary and Physician, attested by Dr. Physic Chapman, Jackson, Horner, Gibson, Dewees, James, Coxe, &c. &c.
