D Celebrated Bojanic Health & Life Preserver. THIS Medicine known for many years as Yea-ger's medicine has never been offered to the public for sale until of late, the proprietors have been prevailed open to offer it for the benefit of those who are laboring under any of the diseases here enumerated, viz: "Incers, Ulcers of the throat and body. Liver complaint, Spitting of Blood, Whooping Cough, Rheumatic affections in the head and hads. Coldect lang and hads. and body, Colds of long standing attended with severe pain upon the breast Consumerion in many cases, where the patient had been abandoned by the Physician and pronounced an incurable case, this medicine has had the most wonderful effect."

. The proprietors are well aware of the numerous medicines that are already offered to the public for the cure of some of the above diseases, many of which have not the slightest effect of performing at any time a cure-but the numerous testimonials which have of late been given to them, by some of the most respectable citizens shows that there can no longer be any doubt as regards the medicine which they now offer, and would say to those afflicted-give it a trial-adhere to its directions, and we will warrant a permanent cure.

Certificates of some of the most remarkable cures can be seen by calling upon any of the Agents. Di-rections for using the medicine will be found to ac company each bottle.

THIS MEDICINE has the singular fortune a just tribute to its great merit, of being recommend ed by the most celebrated Practitioners of Medicine in the United States and Europe; whereas not one of the spurious mixtures, made in imitation of it, has the least support from the Medical Faculty. This fact offers an argument so plain and conclusive, that it needs only to be mentioned to enforce conviction. Swaim's Panacea is recommended to all those invalids for whom Physicians prescribe Sarsaparilla Syr, ups, Extracts, &c.

THE AFFLICTED.

The Blood has hitherto been considered by Empi ics and others, as the great regulator of the human system, and such is the devotedness of the adherents to that erroneous doctrine, that they content themselves with the simple possession of this fallacious opinion, without enquiring into the primary sources from whence Life, Health, and Vigor emanate, and vice versa, pain, sickness, disease and death. Not so with Da Hunt, whose extensive research and practical experience so eminently qualify him for the profession of which he has been one of the most use ful members. He contends-and a moment's reflection will convince any reasoning mind of the correct ness of his views—that the stomach, liver, and the associated organs are the primary and great regulaturs of health, and that the blood in very many in stances is dependent on these organs, and that unles medicine reaches THE ROOT OF THE DISEASE the superficial anadynes usually prescribed, sevre but as foils to cover the ravages of deed-rooted maladies. Under these convictions, at the expense of years of close application, the doctor has discovered a medicine whose searching powers are irresistible, and in prescribing, it is with a knowledge of its being a

They have been the means of raising a host of languishing patients from the bed of affliction, as is clearly evinced in the following

CERTIFICATES. Dyspepsia or Indigestion Effectually Cured. Mr. Wm. Tucker, having lately been restored a sound state of health, through the efficacy of DR HUNT'S BOTANIC PILLS, thinks it an indispen sable duty to state certain facts relative to the di

The symptoms were—a painful obstruction, with a con stant rejection of food, head ache, palpitation of the heart, lowness of spirits, a troublesome dry cough, dizziness, tightness at the chest and difficulty of breathing, almost constant pain in the side, loins, and shoulders, accompanied with much languor and debility. These afflictions, together with an unusua degree of flatulence, brought on such a state of extreme weakness, as to prevent him from attending naces, and holding also the patent of the late Dr. to his busines, and his health appeared lost beyond Geisenhainer for the same to smelt Iron Ore with recovery. JOSHUA ROBERTS. Auextraordinary case of Rheumatism, accompanied with Diarrhaa and Nervous Debility.

Mr. Joseph Hart, from being exposed to cold, was attacked with a most painful Rheumatic complaint in the head, and neck, which continued with distressing violence for several months. The principle symptoms were—a swelling and excruciating pain of all the joints, and an entire loss of their use; both the pain and the fever generally suffered an increase in the evening. The pairs were increased on the slightest motion, and were more severe in the night time. A constant diarrhoen, which produced its general consequences—flatulency, lowness of spirits, and general wasting of the body. He was indeed so extremely ill that his medical attendant could not possibly give the least hopes of his recovery, and it was generally believed by his relatives and friends that all the medicines or treatment in this world could not give him any relief. But seeing an ad vertisement on Hunt's Botanic Pills, he was directed by an Almighty Providence to use them the did so, and after a fortnight they produced a tavorable change, and he is now a healthy and strong man.

Mr. Francis Caldwell was afflicted for several years with extreme debility, together with a train of symptoms generally termed nervous affections, and which, perhaps, it would be impossible for the pen of the most learned physicians to describe.
