May 16 Dr. Leidy's Medicated Extract of | Sarsaparilla. To the World.

To the World.

If you wish to make use of Sarsaparilla, be advised to try DR. LEIDY'S MEDICATED EXTRACT OF SARSAPARILLA. It is positively the strongest preparation in existence, one bottle of it (which costs but one dollar) being equal to one gallon of Syrup, as it is usually prepared in the shops, and equal to two bottles of any other extract. Dr. Leidy begs leave to state that he himself prepares it, and can consequently vouch for its strength. Numerous Physicians throughout the United States, give it the preference over all other preparations of Sarsaparilla, both from the fact of its superior strength (consequently efficacious when employed) and from the circumstance of its being prepared by a regular Apothecary and Physician, steeted by Dr. Physic, Chapman, Jackson, Horner, Gibson, Dewees, James, Coxe, &c. Coxe, &c, &.
It is useless here to name the numerous affections

It is useless here to name the numerous affections wherein Sarsaparilla is considered the sole Specific—Suffice it to say, it is recommended by all Physicians throughout the world, in diseases of Skin, Boges, Liver. Acc., and particularly all diseases produced by importities of the blood and animal fluids. As a partier of the blood, it is at all times (and particularly in the Spring and Fall) invaluable. In warm climates, throughout the Summer Season, no person should neglect using itoccastonally. Nomerous certificates and recommendations from Physicians, and others accompany the directions.
