Liver Complaint, with much Deconverse or th Nervovs System.

Mr. Joshua Roberts was afflicted with a billions and nervous disease to an alarming degree, being attended with all the distressing symptoms which affect a relaxed constitution, viz .- A sick head-ache loss of appetite, giddiness in the head, pain in the sto nach after eating, usual tremors, shifting spas modic pains in every part of the body, cold chill, sallow complexion, costiveness, and a constant dull pain in the right side, which often induced the most dreadful debility indeed, he hought he was afflict ed with every internal complaint the human body is liable to. He was generally making trial of various remedies, all of which were equally finitless, unt he had recourse to Hunt's Botanic Pills, from the superior virtues of which medicine his health is per fectly re-established, and is now able to pursue his employment free from pain or disease.

JOSHUA ROBERTS. Auextraordinary case of Rheumatism, accompanied with Diarrhæa and Nervous Debility.

Mr. Joseph Hart, from being exposed to cold, was attacked with a most painful Rheumatic complaint in the head, and neck, which continued with distressing violence for several months. The principle ymptoms were-a swelling and excruciating pain of all the joints, and an entire loss of their use ; both the pain and the fever generally suffered an increase in the evening. The pairs were increased on the lightest motion, and were more severe in the night time. A constant diarrhœa, which produced its general consequences-flatulency, lowness of spirits, and general wasting of the body. He was indeed so extremely ill that his medical attendant could not ossibly give the least hopes of his recovery, and it was generally believed by his relatives and friends that, all the medicines or treatment in this world could not give him any relief. But seeing an ad vertisement on Hunt's Botanic Pills, he was directed by an Almighty Providence to use them ; he did so, and after a fortnight they produced a tavorable change, and he is now a healthy and strong man. JOSEPH HART.

An interesting case of Lowness of Spirits, with a vi olent Spasmodic Affection.

Mr. Francis Caldwell was afflicted for several years with extreme debility, together with a train of symptoms generally termed nervous affections, and which, perhaps, it would be impossible for the pen of the most learned physicians to describe. In this case the spasms in the stomach were so frequent and excruciating as nearly to deprive him of reason pains in the limbs, extending even to the fingers and toes, flatulence, sickness at the stomach, and a general agitation of the whole system, insomuch that a common incident rendered the mind timid and apprehensive. In order to remove these dis'ressing symptoms, and restore the constitution to its former energy, a large portion of medical skill had been exhausted without any advantage ; change of air, and other remedies were also onavailing, and the mind and body appeared to be devoted to a ruthless dis. ase. In this hopeless and languid situation, Mr. Caldwell was recommended to make trial of Hunt's Botanic Pills, the effects of which were visable in a few days, and by a continuance of the medicine according to directions.) his strength became completely restored, and a sound state of health, was happily established.
