NUMEROS remedies have been offered and pushed into notice for DISPASSES OF THE LUNGS, some of which has undoubtedly been found very useful, but all that have hitherto been known, it must be universally acknowledged there is none that has ever proved as successful as the "BALSAM OF WILD-CHERRY". Such indeed are the astonishing restorative and healing properties of this BALSAM, that even in the worst forms of CONSUMPTION, when the patient has suffered the most distressing cough, violent pain in the chest, difficulty in breathing, haemoptoe, the wheezing of the lungs, &c. and when the most esteemed remedies of our Pharmacopoeia had failed to afford any relief, and when the patient had been reduced to a mere shadow, and was on the verge of the life beyond, the use of this BALSAM, has restored the patient to health, and has been attended with a rapid and permanent relief.

IN THAT FORM OF CONSUMPTION, so prevalent amongst delicate young females, commonly termed debility, or going into a decline, a remedy with which thousands are lining, it has been used with surprising success, and not only possesses the power of checking the progress of this alarming disease, but at the same time strengthens and invigorates the whole system more effectually than any remedy we have ever possessed.

IN CASES OF ASTHMA, in this complaint it has also been used with the most singular success. It opens the chest, rendering the breathing perfectly free, arrests the cough, and will seldom fail to give permanent relief.

IN BRONCHITIS—As a remedy in all Bronchial affections of the throat, attended with a hoarse, cough or roar in the throat, it will also be found a very effectual remedy, and will afford immediate relief if used at the commencement of the attack.

IN COUGHS AND COLDS—in common coughs and colds, that prevail so extensively throughout the winter, it will be found much more effectual than any remedy in use, and when colds set upon the lungs, causing an inflammation with pains in the breast, difficulty or shortness of breathing, &c. the use of this Balsam will suppress such symptoms immediately, and at the same time prevent the lungs from becoming more seriously diseased.

IN CRUP AND WHOOPING COUGH—in these complaints, so common to young children, this Balsam will be found much superior to the Paregonia, Syrup of Squills, and the various COUGH MIXTURES in common use, as it is entirely free from any thing the least injurious, and may at all times be given to children with perfect safety, and with the certainty of affording them speedy relief.

AS A FAMILY MEDICINE for many other complaints, this Balsam will also be found particularly useful. Besides having proved an excellent remedy in all the above mentioned cases, it exerts a powerful influence over many diseases depending on a depraved condition of the system, and those who have suffered from the indolent use of Mercury, or other detestable drugs, that are often compounded with different quick poisons, will find it a remedy of great value, possessing the power of strengthening and invigorating the whole system more effectually than any other medicine we possess.

CAUTION TO PURCHASERS—As this medicine has already acquired great celebrity, there may possibly be some attempts to imitate it, and deceive the public with a spurious medicine, the Paregonia and other mixtures. It is therefore recommended that all purchasers should observe the following marks of the genuine Balsam. It is put up in bottles of two sizes each, having the words "WILLIAMS'S BALSAM OF WILD-CHERRY, PHILADA." blown in the glass, and a label on the front with the signature of HENRY WISTAR, M. D. without which none are genuine. Prepared for the Proprietor by WILLIAMS & Co. Chemists, No. 23, Commerce Street, Phila. and sold by the most respectable Druggists and other appointed Agents in all the principal towns throughout the United States.

THE Genuine Medicine sold by JOHN S. C. MARTIN, Sole Agent for Pottsville. Price 31 per Bottle Dec. 5, 1840.

CONSUMPTION CAN BE CURED.
