A NIGGER STORY .- This is about the best of the nigger stories that are going the rounds. We presume the N. O. Pickayune must father it.

Coming the Delicate.—We saw a couple of yellow darkies on Sunday, a stout boy and his sweetheart, and the way they tortured the Queen's English would have given Dr. Johnson the hysterics They were returning from church, and as we passed them the 'fair nigger," who was resting languish ingly upon Sambo's arm, exclaimed: Dar! look; dat's de berri ossif what de gen'le

A DREADFUL DEED .- The Baltimore Republican states that on Saturday last, a molatto woman was nearly burnt to death in that sink of pollution and misery, called L. Alley, in the rear of south Frederick st. The account which the wretched sufferer gives of the occurrence is, that she was asleep at the time, and that a negro woman, one of the inmates of the same miserable ahode, placed a quantity of shavings beneath her clothes and then set their on fire, thus literally roasting the poor creature a live. The wretched woman presented a sight the most revolting, the flesh literally dropping from her bones.
