And the moonlight flashes through. Tis cold to night, But those eyes so bright. A glow on the young heart shed,

And these lips that move To the tones of love, With the smile of pleasure spread, Then onward speed, While the anorting steed Shakes the spangles from his mane, We'll join in the flight Of the elves of night, And love and delight shall reign.

SCRAPS AND SCRIBBLINGS.

Extensive preparations are making throughout the country to celebrate the coming anniversary of Washington's birth day.

Our exchange papers are filled with notices of balls to "come off" on the 4th of March, in honor of the inauguration of Old Tip. It is about time for us Pottsville folks to be moving.

Gen. Harrison and Martin Van Buren had a sociable dinner together at the White House on Saturday last.

The great fire at Williamsport, Md., turns out to be a hoax. Several custom-house officers, rumor says, have

been arrested in New York, charged with having purloined goods from the Public Stores. The packet ships which have recently left New

York have taken out large quantities of specie. Our readers can easily guess where the precious metals Kingston, in Upper Canada, is to be the seat of

government of the Provinces when united. A Small Note Bill has passed the Senate of Virginia by a large majority.

The theatre at Harrisburg is said to be well patronized.

On the 3d inst., the Michigan Legislature, in joint convention, elected Gov. Woodridge, (demo cratic whig) to the office of U. S. Senator, in the place of Mr. Norvell, whose term expires on the 4th 200 REAMS No. 3 Letter (plain;) of March.

There are 3319 miles of railroad in use in the United States, constructed at a cost of \$56,000,000. The late performance of the locomotive "Hichens and Harrison, over the Reading and Philadelphia

speech of Duncan, of Ohio. Faugh! It is rank and rancid, and marks the blaguard and the bully. The Oneida and the Hottingeur are the names of

two splendid packet ships lately launched at New York. The H. is over 1000 tons burthen. A large and highly respectable temperance con-

vention was held in Danville last week. The Lexington (Ky.) Observer says that "Ken-

possesses the wisdom of Ulysses, united to the Aq. Forris Muriatic Acid strength of Achilles. · Henry Clay and Silas Wright had some sharp

words in the Senate last week about the U.S. Bank. Wright came off second best. General Harrison's cabinet appears to give great

entisfaction. All the great interests of the country are ably represented. The notes of nearly all the banks of this State are

received on deposite by the Philadelphia banks. Samuel Innes, editor of the Easton (Pa.) Arguscommitted suicide last week by cutting his throat.

Several very large Repeal Meetings have been held in the Atlantic cities by the friends of Ireland. Alfred M. Slade, the American Consul at Buenos

Who is to be Postmaster of Philadelphia? Don't all speak at once.

Have not heard of a single explosion on the Miseissippi river for three weeks. Singular-very. We understand that Col. Preston was offered seat in the new Cabinet but declined, as he thought he would be more useful to the country in his pre-

sent situation, "The shorter the sweeter," as the young lady said when she made her petticont only two feer long.

An exchange paper says Miss Puller, Mr. Ripley, Mr. Emerson, contributors to the Dial, and several others, think of establishing themselves at Newton. Mass, where they were to dwell in Elysian fields and hold all things in common. A distinguished clergyman in Boston, it is also said, is about asking leave of his church, and intends becoming a farmer under the new order of things.

DR. WINSLOW'S

Ralsam of Horehound. An unparalleled remedy for common Cold, Coughs, Asthma, Influenza, Whooping Cough, Bronchitis, and all diseases of the Breast and Lungs, leading to Consumption; composed of the concentrated cirtues of Horehound, Boneset, Blood Root, Liverwort and several other vegetable substances. Prepared only by J. M. WINSLOW, Rochester, N. Y.

THE innocence and universally admitted pectoral vir tues, of the Herbs from which the BALSAM OF HOARHOUND is made, are too generally known to require recommendation; it is therefore only necessary to observe that this Medicine contains the whole of their Medicinal properties, highly concentrated, and so hap-pily combined with several other vegetable substances, in use for the complaints above mentioned.

For Children, this Balsam is of inestimable value. It is a speedy remedy for the Whooping Cough and Croupt and affords certain relief in Boxel Complaints, Cholic,

Teething, Gc. It is pleasant to the taste, and may be safely given to the tenderest infant and should be kept at all times in every family, as it is much better for the complaints incident to children than Paregoric, Godfrey's Cordial or the Cordials so commonly used, as hundreds try, since which time it has constantly increased in pubite avour, and it is at the present time the most popular Cough Medicine, in most of the Northern and Western

States. More than Two Thousand Free Hundred Bot-lles have been retailed annually, at the subscribers coun-ter, for the last two years, and although five other Druggists in the City, are constantly supplied with the article, his sales are daily increasing.
For the sitisfaction of those interested in Certificates, the following are added, although the common practice of collecting a long 'string of vouchers,' has not been considered the best way to make its virtues known. We say 'ask' 'inquire,' ask those who have used it, ask Physicians who prescribe it, ask the Agents who sell it

Read the following—I hereby certify that early in the spring of \$838, I contracted a severe COLD, which setled upon my lungs, and threatened a hasty Consumption. I used several prescriptions, but obtaining little or no relief; I was much alarmed. Happening to be at Roches-ter, I was advised by my friend, Mr Winslow, to try a bottle of his BALSAM OF HOREHOUND: I did so, and to my surprise obtained relief at once—and by the use of that single bottle was perfectly restored to health. To those afflicted with Colds or Coughs, at this inclement

season, I say 'go and do likewise LEANDER CHIPMAN. Ingratitude is the basest crime in man.-We are not a ong that class of Editors who for a few dollars will, (at the expense of truth and honesty) 'crack up' an article and bring it into rapid sale; neither are we willing to re-main silent, after having tested the utility of an improvement or discovery in science or art. Our readers will recollect we told them we were unwell with a soar throat and violent cold some few weeks ago Well, we purchased two bottles of Winslow's Balsom of HORE-BOUND and so sudden was the cure that we forgot we ever had a cold.
