☞ 100,000 BOXES OF ☜

DR. LEIDY'S SARSAPARILLA or BLOOD PILLS sold the past year.

☞ "KILL OR CURE." ☜

This doctrine is startling—it nevertheless is the doctrine entertained and practiced by the numerous Quacks who manufacture preperations of various kinds which have mercury for their base.

BEWARE THEN

How you trust to such preperations. 'Tis true, they "kill or cure," and you all then hear of the *cures*, but never hear of *the killed or wounded*, or those *whose constitutions are completely destroyed and broken down.*

To all those who have been using Quack medicines, I would recommend the use of remedies that will counteract their bad effects, *before it is to late.*

BE ADVISED,

Therefore, to gurard against the evil effects of Quack medicines, and employ *such medicines only as you know, and have proof of being prepared by a regular experienced Apothecary and Physician.* Such is

DR. LEIDY'S

SARSAPARILLA or BLOOD PILLS,

Which may be used at all times, ages, and seasons, where either a *mild or active purgative* may be required or *as a purifier of the blood and animal fluids*, and in all diseases requiring purgation, cleansing and purifying the system, &c. &c.

They may be used without restraint from diet or occupation, from moderate or temperate living, being *free from mercury and all the minerals*, and an antidote against their bad effects.

Numerous certificates from various parts of the United States have been, from time to time published, it is only necessary *to inform the public where they may be had genuine.*

Numerous certificates and recommendations from Physicians and others accompany the directions.

To satisfy the world that they are no quack preparation, I would simply observe, that they are the preparations of a regular Druggist and Physician, attested also by

Dr. P. Physick,	Dr. R. E. James,
D N. Chapman,	Dr. W. P. Dewees,
Dr. S. Jackson,	Dr. Robert Hare,
Dr. W. E. Horner,	Dr. J. Redman Coree,
Dr. William Gibson,	Rev. W. H. Delancy,
C. C. Biddle, Esq.,	R. Adrain, Esq., &c. &c.

They are prepared and sold, wholesale and retail at Dr LEIDY'S HEALTH EMPORIUM, No. 191 N. SECOND Street, below Vine, sign of the Golden Eagle and Serpents, and by,

W. T. EPTING, Druggist, Pottsville.
February 27th, 9—

$100!—$100!

WILL BE FORFEITED BY DR. N. B. LEIDY, for a preparation of Sarsaparilla equal to his MEDICATED EXTRACT OF SARSAPARILLA.

It is positively the strongest preparation of Sarsaparilla in existence. ONE BOTTLE is equal to SIX PINTS of any Syrup that is made, and is bought by numerous persons throughout the city and country for making Syrup therefrom, and who will sell it at the rate of seventy-five cents to one dollar per bottle (about half a pint.

The efficacy of Sarsaparilla is well known in *Scrofula or King's Evil, Erysipelas Diseases of the Liver, Affections of the Skin and Bones, Ulcers of the Nose, Throat and Body*, as well as an *Antidote to Mercury and the Minerals, Constitutional Diseases* and a *general Purifier of the Blood and Animal Fluids.* Comment upon its virtues is unnecessary. Every body knows its efficacy. It is only necessary when using it, to get a good preparation of it, and then there will be no disappointment in its effects.

Dr. Leidy would refer to the *most respectable* Physicians in Philadelphia, as well as throughout the United States *for the character of his preparation*, as well also to the numerous certificates from physicians and others, that have been from time to time published, *now deemed unnecessary as the character of his preparation is firmly established.*—Throughout the Southern States it is used *altogether*, and throughout the North *takes the precedence over all others*, particularly among physicians, who, for the benefit of the patients, *always recommend it*

Dr. Leidy can boast of as many effectual cures performed by his medicated Extract of Sarsaparilla, as has ever been effected by any medicine in existence.

The reader is referred to the directions accompanying each bottle, for recommendations, certificates and further particulars.

Remmerber *one bottle*, (half a pint.) is equal to *six pints of Syrup*, and is equally pleasant to take.

☞ Price ONE DOLLAR per bottle. ☜

Prepared and sold wholesale and retail at Dr. Leidy's Health Emporium, Second street below Vine. Sign of the GOLDEN EAGLE AND SERPENTS, Philadelphia, and by.

FOR SALE.

The Bartram Botanic Garden.

SITUATE on the west side of the Schuylkill river, about half a mile below the new bridge at Gray's Ferry; containing about twenty-four acres. Bounded on the west by Philadelphia, Wilmington, and Baltimore Railroad, and on the east by the river Schuylkill, on which it has a front of twelve hundred feet.

The property is delightfully situated on the banks of the Schuylkill, commanding a most picturesque view of its termination in the river Delaware; and for the purpose for which it has been used during the last century, is certainly one of the handsomest situations in the county of Philadelphia.

For a cemetery it presents superior advantages. The grounds being already handsomely laid out and stocked with the best and largest variety of shrubbery and ornamental trees in the United States, will require little or no expense to convert into a place suitable for the purpose. The mansion house can, at a very trifling expense be converted into a chapel. And the extremely low price at which it will be offerred for the purpose, will bring it within the reach of any one of the numerous religious bodies in the city of Philadelphia who want a place for burial. The road being good it is easy of access at all seasons of the year. There is a good stone quarry, and excellent sand and gravel on the property.

The improvements consist in a stone mansion house fronting on the river, a good barn, outbuildings, tenant's house, and extensive green houses. A large and substantial wharf has been constructed on a portion of the river front, and there are materials convenient for filling up others. Its location for wharves for the purpose of shipping coal is probably superior to any other on the river: being below the Gray's Ferry Bridge, large vessels may load there without the risk of passing through the narrow channel of the Bridge. The wharf already constructed can be rented to good advantage, and the Garden having been so long established as a summer retreat, as well as the whole river front being suitable for wharves, it is believed that sufficient may be rented off to pay a large proportion of the interest on its costs.

The greater part of the purchase money may remain on the mortgage on the premises for a number of years if required. For further particulas apply to Mr. Carr, on the premises, or to
