Physician's prescriptions carefully compounded Mossat's Life Pills, and Phænix Bitters.

MENHE perfectly safe, unerring, and successful treat ment of almost every species of disease by the use of MOFFAT'S LIFE MEDICINES, is no longer a natter of doubt, as a reference to the exper ience of many thousand patients will satisfactorily prove. During the present month alone nearly one hundred cases have come to the knowledge of Mr. Moffat, where the patient has, to all appearance, effected a permaneat cure by the exclusive and judicious use of the Life Mercelder. dicines-some eight or ten of these had been considered beyond all hope by their medical attendants. Such happy results are a source of great pleasure to Mr. M. and inspire him with new confidence to recommend thouse of his medicines to his fellow-citizens.

The LIFE MEDICINES are a purely VEGETABLE preparation. They are mild and pleasant in their operation, and at the same time thorough—acting rapidly upon the secretions of the system—carrying off all acri-monious humors, and assimilating with and purifying the blood. For this reason, in aggravated cases o Dyspepsia, the Life Medicines will give relief in a shot ter space of time than any other prescription. In fever and-Ague, Inflammatory Rheumatism, Fevers of every description, Sick Headache, Heart-burn, Dizziness in the head, Pairs in the Chest, Flatulency, impaired appetite, and in every disease arising from an impurity of the blood, or a disordered state of the stomach, the use of these Medicines has always proved to be beyond doubt, greatly superior to any other mode of treat-

ment.
All that Mr. Moffat asks of his patients is to be particular in taking them strictly according to the directions. It is not by a newspaper notice, or by any thing that he hasself may say in their favor, that he hopes to gain credit. It is alone by the results of a fair trial. Is the reader an invalid, and does he wish to know whether the Life Medicines will suit his own case! If so, let him call or send to Mr. Moffat's agent in this place, and procured come of the suit has alone declarations as Does of the suit has alone declarations. cure a copy of the medical Manual, designed as a Do-mestic Guide to Health, published gratuitously.
