Prepared only by J. M. WINSLOW, Rochester, N. Y.

THE innocence and universally admitted pectoral vis tues, of the Herbs from which the BALSAM OF HOARHOUND is made, are too generally known to re-quire recommendation; it is therefore only necessary to observe that this Medicine contains the whole of their Medicinal properties, highly concentrated, and so happily combined with several other vegetable substances, as to render most speedy, mild and certain remedy, now in use for the complaints above mentioned.

For Children, this Balsam is of inestimable value. It is a speedy remedy for the Whooping Cough and Croupt and affords certain relief in Bowel Complants, Cholic, Teething &c. It is pleasant to the taste, and may be safely given to the tenderest infant and should be kept at all times in every family, as it is much better for the complaints incident to children than Paregoric, Godfrey's Cordial, or the Cordials so commonly used, as hundreds

Read the following.—I hereby certify that early in the
spring of 1838, I contracted a severe COLD, which settled upon my lungs, and threatened a hasty Consumption.
I used several prescriptions, but obtaining little or no relief; I was much alarmed. Happening to be at Rochester, I was advised by my friend, Mr Winslow, to try a
bottle of his Balsaam or Horehours: I did so, and to
my surprise obtained refief at once—and by the use of
that simple bottle was prefeatly netted to the lith. To

my surprise obtained relief at once—and by the use of that single bottle was perfectly restored to health. To those afflicted with Colds or Coughs, at this inclement season, I say go and do likewise.
