'Tis true, they "kill or cure," and you all then hear of the cures, but never hear of the killed or wounded, or those whose or istitutions are completely destroyed and broken down. ILIE perfectly safe, unerring, and successful treat ment of almost every species of disease by the use of MOFFAT'S LIFE MEDICINES, is no longer a matter of doubt, as a reference to the experience of many thousand patients will satisfactorily prove. Dur-ing the present month alone nearly one hundred cases have come to the knowledge of Mr. Moffat, where the patient has, to all appearance, effected a permaneat cure by the exclusive and judicious use of the Life Me-dwines.

dicines-some eight or ten of these had been consider ed beyond all hope by their medical attendants. Suc happy results are a source of great pleasure to Mr. M. and inspire him with new confidence to recommend the use of his medicines to his follow-citizens. The LIFE MEDICINES are a purely VEGETABLE preparation. They are mild and pleasant in their ope-ration, and at the same time thorough—acting rapidly uses the coexcitions of the same

ration, and at the same time thorough—acting raidily upon the secretions of the system—carrying off all acri-monious humors, and assimilating with and pufifying the blood. For this reason, in aggravated cases of Dyspepsia, the Life Medicines will give relief in a shor ter space of time than any other prescription. In fover and-Ague, Inflammatory Rheumatism. Fevers of every description, Sick Headache, Heart-burn, Dizziness in the head, Pains in the Chest Flatulency, impaired ap petite, and in every disease arising from an impurity of the blood, or a disordered state of the stomach, the use of these Medicines has always proved to be beyond doubt, greatly superior to any other mode of treat-

All that Mr Moffat asks of his patients is to be par'i-Ali that Mr Molatasks of his patients is to be par-calar in taking them strictly according to the directions. It is not by a newspaper notice, or by any thing that he hisself may say in their favor, that he hopes to gain credit It is alone by the results of a fair trial. Is the reader an invalid, and does he wish to know whether the Life Medicines will suit his own case! If so, let him call or send to Mr. Moffat's agent in this place, and pro-cure a copy of the medical Manual, designed as a Do-mestic Guide to Health, published gratuitously. He will there find enumerated very many extraordinary cases of cure; and perhaps some exactly similar to his own. Moffat's Medical Office in New York, 375 Broadway.

Inter it, to de far superior to any other medicine erer employed in the diseases for which it is recommended It is perfectly safe, and no child will refure to take it. Worms being especially apt to isfest persons of debil-itated digestive organs and emaciated constitutions, much mischief is often done by the ordinary worm med-icines, which generally consists of the strongest purga-tives, calomel, that destroyer of the constitution, bitters, pink root, spirits of turpentine, wormseec oil &c. &c. Articles of this kild may destroy worms, but they de-bilitate the stomech, and often materially injure the general health, without removing the cause. Swain's Vermifuge has the peculiar advantage of removing the cause of the worms, by giving vigour and healthy action to the stomach, bowels and organs of digestion, thereby relieving measles, coup, hooping cough, &c. This medicir e, by invigorating the internal functions strenght-ening the organs of digestion, and removing the primary cause which creates morbid secretions, will relieve Bowel Complaints, Cholic, Dysentery, Despepsia, and the whole train of bilary affections, Sick Headache, Acidity of the Stomach, Foul Breath, Bleeding Piles, &c.
