

MODERN CRITICISM. - It is the commonest thing in the world to see a new picce, just produced at some theatre, noticed in the newspapers much in

the following manner: Zip Coon and the Fairy.-This gorgeous speciacle was brought out last night, according to previous announcment, and we must confess ourselves at a loss whether must to admire the magnificence of scenery, the splendor of the wardrobe, the munificence of the managers, or the excellence of the nuccess of the managers, of the excentice of the actors Mr. Jenkins, as King of the Coons, was su-perlative : Higgins, in the Salamander, was truly beautiful; Smith even excelled h mselt in the Dem on Tadpole, and Miss Pettibone looked more be. witching than ever as the Fairy. Seizen was ex-cellent as the Bailiff, and so was Mr. Snout'as the Coin Doctor : this young gentleman improves, and with industry and attention he may look for a high rank in the profession. The music is delightfal, and was executed by the

prohestra with brilliant perfection and effect. Mr. Rosindebow, the leader, is a musician of wonderful excellence in the divine art of "sweet sounds," and to his skill as a conductor the musical department of the piece is mainly indebted for his success.

The comic part became better than the author designed it, in the hands of Mr. Jacques, and that scene especially where he calls in the Doctor to examine the Fairy's leef, was indeed irresistible. As the Dame Mrs. Weathersfield was in her element and acted the part to the life. No less deserving of praise was Mrs. Wigginbottom as the Countess, and Mrs. Butterblossom won new admirers by her judi. Nov. 28, 48cious and lively impersonation of pretty Durothy Diaggletail.

Taggietail. The pièce is, of coarse, announced for repetition antil further notice, and this evening, we previous the managers propose introdu ing additional effect by engaging the services of *Her Humbuggem*, the celebrated Self Devourer, who disappears down his own throa', together with any two of the spectators who may wish to accompany him. Mr. Humbug-gen will appear in the Grand Fairy Banqueting Scene, as a live Earthquake, and when commanded by the Queen, he will gulp hunself down together with the Demon Talpole and the Corn Doctor :

ALMOST INCREDIBLE .- A late French paper mentions a most extraordinary instance of ignorance and prejudice which occurred at Champdoniers, near Nantes, a low weeks since. An elderly man went out in the evening from home with a rope in h.s hand, and shortly after was found with the rope hand, and shortly after was found with the rope private prescription of the late Professor Wis-swung over a well, having a heavy stone tied to it tur. The subfetched the man's son, between whom and his father a bad understanding had long subsisted, and they both saw the unfortunate man moving his legs and arms. On the mak's proposing to cut his father down, the son said that they had better not do this, but grand apprise the Mayor, otherwise it might be thought they had murdered him. Moffat's Life Pills, and Phœ-

nix Bitters.

MHE perfectly safe, unerring, and successful treat ment of almost every species of disease by the use of MOFFATS LIFE MEDICINES, is no longer a matter of doubt, as a reference to the experience of many thousand patients will satisfactorily prove. During the present month alone nearly one hundred cases have come to the knowledge of Mr. Moffat, where the patient has, to all appearance, effected a permaneat cure by the exclusive and judicious use of the Life Me-dicines--some eight or ten of these had been consider-ed beyond all hope by their medical attendants. Such and the source of the formedical attendants. Such happy results are a source of great pleasure to Mr. M. and inspire him with new confidence to recommend the use of his medicines to his fellow-citizens. The LIFE MEDICINES are a parely VEGETABLE, proparation. They are mild and pleasant in their ope-ration, and at the same time thorough-acting rapidly upon the secretions of the system-carrying off all acri-monious humors, and assimilating with and purifying the blood. For this reason, in aggravated cases of Dyspepsia, the Life Medicines will give relief in a shor tor space of time than any dther prescription.
