The Judge.—Mrs. Gaines, I again repeat that I will not sit here and suffer such language as this to be made use of even by a woman.

During this singular discussion, one of the officers of the court was sent for Messrs. Grymes or Chinn, the associates of Mr. Peyton for the defence. to take charge of the case, but neither of them was forthcoming, and Mr. Smith, again addressed the Court, urging the right of the defendants to a liber al construction of the law of evidence. General Gaines again arose and alluded to the

controversy which closed previous to Mr. Smith's addressing the Court.
The Judge—"I have said nothing, General Gaines, against the lady. I am sure I acted with great forbearance. I did not prevent argument of any question of law, but I interposed to prevent a scene of wrangling, which, if permitted to go on, was calculated to bring the Court into contempt, and to weaken that authority which it is bound to exercise for the preservation of order."

Musical Society.

MEETING of the lovers of Music, and of those wishing to improve themselves in the art, will be held in the Presbyterian Church, on Tuesday Evening next, June 1, for the purpose of forming a Musical Society. It is believed that such an Asso. ciation will accomplish what has long been a desideration in Pottsville—a concentration of all the musical talent in the Borough, vocal and instrumental —and thus, by mutual improvement, greatly assist the respective Societies of Christians in a most de-lightful part of their worship. This call is a general one; and it is hoped that ALL friends of the Scince, both ladies and gentlemen, will attend May 29, 1840. 22_11.

WRIGHT'S Indian Vegetable Pills.

Of the North American College of Health. As appears by the following circumstances, are fast su-perseding the use of all other Pills as a UNIVERSAL REMEDY, for the purification of the blood, and as a consequence, the eradication of DISEASE from the HUMAN SYSTEM.

THOMAS & JAMES BEATTY,

AVING been duly appointed County Agent for the sale, in large or small quantities, of the named article, suggest the following as strong presumptive proof, that the claim of this medicine to public confidence, is founded on unquestionable and we believe, unquestionable authority. Letter from Mr. Camfield, Travelling Agent for the United States.

Messis. T. & J. BEATTY. I herewith enclose for your service in the way of advertising, the notice of Stichter & McKnight successors to Keim & Stichter, Reading, who are agents for Brandreth Pills, and perhaps for others, You will perceive the force of their language, under these circumstances, and my business is to apprise you of the testimony which the gentleman to whom they refer have alrerdy given,-four of them prior to the reference, and one, Mr. G. H. Miller, since the reference, but without being informed of by me, or in any manner alloding to it.

STICHTER & M'KKGHT, (as successors to Keim & Stichter, Reading.) having been duly appointed county agents for the excellent and superior medicine above named, are now prepared to supply the demands of tormer agencies, and will be gratified by the appointment and supply of new ones, on the usual liberal terms.

"For the character of these pills, we refer with confidence, but without asked consent, to the following named gentlemen, who have sold them long enough to know their true value in compariso with any others now in marker. Their relative location gives every facility to the inquirer who deserves to obtain, either for sale or use, a first rate article.

To take them in consecutive order, then Mr. C W. Porter, P. M., Maiden Creek, Jan. 26, took of me on commission, 6 doz. Since that time, be purchased of K. & S. Reading 6 dozen, and on the 4th inst. took 6 dozen of me, stating, that he never had a medicine which brought back so good a report. nor one which had so ready a sale. As he is Post Master, any person can easily and cheaply ascertain whether my veracity can be impeached and at the same time learn what other pills, he sells or has

Mr. G. H. Miller, late of Brickensville, had re quested me to appoint him an agent for Womelsdorf, because he well know the value of the article, April 20th he took of me 4 dozer, and on the 24th inst. he had sold 26 boxes, it being in Womelsdorf,

a new article, and bought 2 dozen more. This statement is similar to the foregoing. To Mr. M'Kinty, one dozen were sent at a venture, perhaps in December. Jan. 25, I left him 2 dozen on commission, and on the 11th inst. he paid me for 7 dozen stating, as do the others, that no medicine with which he is acquainted has as good

a name and so ready a sale. Peter Kline, Post Master, has sold to a man who has the white swelling, probably near 60, whom I seen, and who states, that no other remedy has rendered him any service, but that this has, and now that he is persuaded to persevere, I am fully persua-

ded he will entirely recover. Samuel Heckler, Post Master, sells the other pills but states, that he finds 4 of these equal to 8 or 9 of them-that tho' he had these less than 4 months, and the others several vests. (about 10 boxes where he has a call for one of the other sort. He mentioned a woman who has during reveral years suffered by the rheumatism, and though other remedies had been invoked, she has not found any benefit, save in the use of these

I would add much general and particular infor-mrtion, but shall defer to a more convenient opportunity an exposition which must be interesting to all who are liable to diseases. To the business in hand, the reference, I have paid the attention it seems to merit, and I thus leave it with the carnest desire that it may be read with candor, and produce the effect to which truth is always entitled.
