To take them in consecutive order, then Mr. C. W. Porter, P. M., Maiden Creek, Jan. 26, took of me on commission, 6 doz. Since that time, he purchased K. & Reading 5 dozen, and on the 4th inst. took 6 dozen of me, stating that he never had a medicine which brought back so good a report...

Mr. G. H. Miller, late of Bricksenville, had requested me to appoint him an agent for Womelsdorf, because he well knew the value of the article. April 30th he took of me 4 dozen, and on the 24th inst. he took 2 doz. more in Womelsdorf, a new article, and bought 2 dozen more.

This statement is similar to the foregoing. To Mr. M. Kinty, one dozen were sent at a venture, perhaps in December. Jan. 25, I left him 2 dozen on commission, and on the 11th inst. he paid me for 7 dozen stating, as do the others, that no medicine which he is acquainted has as good a name and so ready a sale.

Peter Kline, Post Master, has sold to a man who has the white swelling, probably near 60, whom I seen, and who states, that no other remedy has rendered him any service, but that this has, and now that he is perfectly recovered, I am fully persuaded he will entirely recover.

Samuel Heckler, Post Master, sells the other pills, but states, that he finds 4 or 5 of 9 of them—that he had these less than 4 months, and the others several years, of these he now sells about 10 boxes where he has a call for one of the other sort. He mentioned a woman who has during several years suffered by the rheumatism, and though other remedies had been invoked, she has not found any benefit, save in the use of these pills.

I would add much general and particular information, but shall defer to a more convenient opportunity an exposition which must be interesting to all who are liable to diseases. To the business in hand, the reference, I have paid the attention it seems to merit, and I thus leave it with the earnest desire that it may be read with candor, and produce the effect to which truth is always entitled.
