ESPECTFULLY announces to his friends and the public that he has taken this splendid, airy and delightful establishment, situated at the termination of the Reading and Philadelphia Rail Rood, where he will be happy to wait on those who visit the Coal Region, on business, or for the purpose of enoying the mountain air and water. The Hotel is targe, finished and furnished in the best style—and no pains will be spared to render satisfaction to all who may favor it with a visit. Being within ten minutes walk of the Borough of Potisville, though sufficiently removed to escape the dust and noise of that busy bustling place, it is confidently believed that it will be found much more pleasant and agreeable, than any other Hotel in the vicinity. Attached to the Hotel is a large and bestiful garden, overlooking the River Schuylkill, the Schuylkill Caual, Mount Carbon Rail Road. (extending to the Mine's and thence to Sunbury) the Centre Turnpike, and at the same time affording a real and romantic view of five Mountains. AVING been duly appointed County Agent for the sale, in large or small quantities, of the named article, suggest the following as strong pre-sumptive proof, that the claim of this medicine to public confidence, is founded on unquestronable and we believe, unquestionable authority.

Letter from Mr. Camfield, Travelling Agent for the United States.

Messrs. T. & J. BEATTY.

I herewith enclose for your service in the way of advertising, the notice of Stichter & McKnight, successors to Keim & Stichter. Reading, who are agents for Brandreth Pills, and perhaps for others. You will perceive the force of their language, under these circumstances, and my business is to ap prise you of the testimony which the gentleman to whom they refer have alrerdy given,—four of them prior to the reference, and one, Mr. G. H. Miller, since the reference, but without being informed of it by me, or in any manner alluding to it.

STICHTER & M'KNGHT, ( as successors to Keim & Stichter, Reading.) having been duly appointed county agents for the excellent and superior medicine above named, are now prepared to supply the demands of former agencies, and will be gratified by the appointment and supply of new ones, on the liberal terms.

" For the character of these pills, we refer with confidence, but without asked consent, to the following named gentlemen, who have sold them long enough to know their true value in comparison with any others now in marker. Their relative location gives every facility to the inquirer who deserves to obtain, either for sale or use, a first rate

To take them in consecutive order, then Mr. C. W. Porter, P. M., Maiden Creek, Jan. 26, took of me on commission, 6 doz. Since that time, be purchased of K. & S. Reading 6 dozen, and on the 4th inst. took h dozen of me, stating, that he never had a medicine which brought back so good a report. nor one which had so ready a sale. As he is Post Master, any person can easily and cheaply ascer. tain whether my veracity can be impeached and at the same time learn what other pills, he sells or has

Mr. G. H. Miller, late of Brickensville, had te quested me to appoint him an agent for Womels-dorf, because he well know the value of the article April 20th he took of me 4 dozer, and on the 24th inst. he had sold 26 boxes, it being in Womelsdorf,

new article, and bought 2 dozen more. This statement is similar to the toregoing. To Mr. M'Kinty, one dozen were sent at a ven ture, perhaps in December. Jan. 25, I left him 2 dozen on commission, and on the 11th inst. he paid me for 7 dozen stating, as do the others, that no medicine with which he is acquainted has as good

name and so ready a sale. Peter Kline, Post Master, has sold to a man who has the white swelling, probably near 60, whom I seen, and who states, that no other remedy has ren dered him any service, but that this has, and now that he is persuaded to persevere, I am fully persua ded lie will entirely recover.

Samuel Heckler, Post Master, sells the other pills

but states, that he finds 4 of these equal to 8 or 9 of them—that the he had these less than 4 months, and the others several years, of these he now sells about 10 boxes where he has a call for one of the other sort. He mentioned a woman who has during everal years suffered by the rheumatism, and though other remedies had been invoked, she has not found any benefit, save in the use of these

I would add much general and particular informrtion, but shall defer to a more convenient oppor tunity an exposition which must be interesting to all who are liable to diseases. To the business in hand, the reference, I have paid the attention it seems to merit, and I thus leave it with the earnest de-The subscribers are now prepared to do all kinds of Castings, of the best quality on the most the effect to which truth is always entitled.
