I know where one case restored to good health by it. I know where one case was beyond the hopes of ever recovering, and was for years helpless, and confined to bed without being able to sit up, but was raised by the wonderful effects of Dr. Bechter's Pulmonary Preservative, and so fir cured as be able to rule and walk about. A great many infections and I myself have received great benefit from it, both here and in my own native country. I hope it may be as successful in this country as it has been in Germany.
