this season of the year, as an alterative and a purifier of the blood. It gives a tone and vigor to debilitated constitutions, which invalids are unconscious of until they have experienced its effects. It is also recommended in Diseases where the lungand breast are supposed to be affected, and also where the constitution is broken down by the use of Mercury or Quinine;
THIS MEDICINE has the singular fortune a

ust tribute to its great merit, of being reccommended by the most celebrated Practitioners of Medicine in the United States and Europe; whereas not one of the spurious mixtures, made in imitation of it, has the least support from the Medical Faculty. This fact offers an argument so plain and conclusive, that it needs only to be mentioned to enforce conviction. Swaim's Panacea is recommended to all those invalids for whom Physicians prescribs Sarsaparilla Syrups, Extracts, &c.
