Dur-ing the present month alone, nearly one hundred cases have come to the knowledge of Mr. Moffat, where the patient has, to all appearance, effected a permaneat core by the exclusive and judicions use of the Life Me-dicines—some eight or ten of these had been consider-ed beyond all hope by their medical attendants. Such happy results are a source of great pleasure to Mr. M. and inspire him with new confidence to recommend the use of his medicines to his fellow-citizens. HIS Medicine is particularly recommended at this season of the year, as an alterative and a purifier of the blood. It gives a tone and vigor to debilitated constitutions, which invalids are uncon-scious of until they have experienced its effects. It is also recommended in Discases where the lungs and breast are supposed to be affected, and also where the constitution is broken down by the use of

This fact offers an argument so plain and conclusive, that it needs only to be mentioned to enforce conviction. Swaim's Panacca is recummended to all those invalids for whom Physicians prescribe Sarsaparilla Syrups, Extracts, &e.
