"THE perfectly safe, unerring, and successful treat ment of almost overy species of disease by the use of MOFFAT'S LIFE MEDICINES, is no longer a matter of doubt, as a reference to the experience of many thousand patients will satiafactorily prove. Dar- ing the present month alone. nearly one hundred cases have come to the knowledge of Mr. Moffat, where the patient has, to all appearance, effected a permanent cure by the exclusive and judicions use of the Life Me- ducines—some eightor ten of, these had been consider- ed beyond all hope by their medical attendants. Such happy results are a source of great pleasure to Mr. M. and inspire him with new confidence to recommend the use of his medicines to his fellow-citizens. The LIFE MEDICINES are a purely. VEGETABLE preparation. They are mild and pleasant in their ope- ration, and at the same time thorough—acting rapidly upon the secretions of the system—carrying off all acri- monious humors, and assimilating with and purifying the blood. For this reason, in aggravated cases of Dyspepsia, the Life Medicines will give relief in a shor ter space of time than any other prescription. In fover and-Ague, Inflammatory Itheumatism, Fevers of every adescription, Sick Headache, Heart-burn, Dizziness ia the head, Pains in the Chest, Flatulency, impaired up petite, and in every disease arising from an imper, sty of the blood, or a disordered state of the stomach, the use of these Medicines has always proved to be boyond doubt, greatly superior to any other mode of treat- ment. All that Mr. Moffat asks of his patients is to be parti- cular in taking themstrictly according to the directions. It is not by a newspaper notice, or by any thing that he his self may say in their favor, that he loopes to gain credit. It is alone by the results of a fair, trial.
