I never found relief until lately having used Dr. Bechter's Pulmonary Preservative, recommended to me by your agent in thaplace, and which cured me of a violent cough, spitting of blood, pain in my breast, and shortness of breath, with all of which I have been acfilited for two years past. I am now however enjoying as good health as ever, and owe my recovery to the above valuable medicine. Translation from a communication in German. I'rTESURG, June 26th, 1840.

Translation from a communication in German. "Irrisoured, June 26th, 1640. DR. LEILY, at Philadelphna, Respected Sir: — I was much pleased after my arrival in this country, to find that Dr. Bechrer's valuable prep-aration; eo long successfully used in many parts of Germany, is no x prepared by you. I have seen many wonderful cures made by it in the old country. Many persons, whose longs were supposed to be almost en-ticely destroyed, and pronounced incurable, have been restored to good health by it. I know where one case was beyond the hopes of ever recovering, and was for years helpl css, and confined to bed without, being able to sit dry, but was raised by the wonderful effects of Dr. it is it in, but was raised by the wonderful effects of Dr. Bechter's Pulmonary Preservative, and so far cured as to be able to ride and walk about. A great many in-stances have been cured in the various Pulmonary af-fections and I myself have received great benefit from it, both here and in my own native country. I hope it may be as successful in this country as it has been in Germany. When properly known no family will be Without it. Vours, Signed,

Diseases of the Lungs.

**DISCRISES OI CHE ACCEPT N** UMEROS remedice have heen offered and puffed into notice for DISEASES OF THE LUNGS some of which has undoubtedly been found very usefu but of all that have hitherto been known, it must be universally acknowledged there is none that has ever proved as successful as the "BALSAM OF WILD CHERRY" Such indeed are the astonishing restora-tive and healing properties of this BALSAM. that even in the worst forms of CONSUMPTION, when the pa-tient has suffered the most distressing cough, violent pain in the chet, difficulty of breathing, night sweats, bleeding of the lungs of and when the most esteemed remedies of our Pharmacopias had failed to afford any relief, and when Botanic. Homepathic, and numerous other zem-edies, had been used for many months in vain, this is valuable remedy has checked every symptom, and been productive of the most astonishing relief. In the early stages of the disease, proceeding from neglected colds, termed Catarrahl Consumption, it has been used with undeviating success, and in many instruces, when this disease seemed to have marked its vicitm for ar early grave, the use of this medicine has arrested every

AVING been duly appointed County Agent for the sale, in large or small quantities, of the named article, suggest the following as strong presumptive proof, that the claim of this medicine to public confidence, is founded on unquestionable and we believe, unquestionable authority. Letter from Mr. Camfield, Travelling Agent for the United States.

Messre. T. & J. BEATTY. I herewith enclose for your service in the way of advertising, the notice of Stichter & McKnight, successors to Keim & Stichter. Reading, who are agents for Brandreth Pills, and perhaps for others. You will perceive the force of their language, un-der these circumstances, and my business is to apprise you of the testimony which the gentleman to whom they refer have alrerdy given,—four of them prior to the reterence, and one, Mr. G. H. Miller, since the reference, but without being informed of

it by me, or in any manner alluding to it. STICHTER & M'KNGHI, ( as successors to Keim & Stichter, Reading, ) having been duly appointed county agents for the excellent and superior medi-cine above named, are now prepared to supply the demands of former agencies, and will be gratified by the appointment and supply of new ones, on the usual liberal terms.

"For the character of these pills, we refer with confidence, but without asked consent, to the following named gentlemen, who have sold them long enough to know their true value in comparison with any others now in marker. Their relative location gives every facility to the inquirer who deserves to obtain, either for sale or use, a first rate article."

To take them in consecutive order, then Mr. C. W. Porter, P. M., Maiden Creek, Jan. 26, took of me on commission, 6 doz. Since that time, he purchased of K. & S. Reading 6 dozen, and on the 4th inst. took 6 dozen of me, stating, that he never had a medicine which brought back so good a report. nor one which had so ready a sale. As he is Post Master, any person can easily and cheaply ascertain whether my veracity can be impeached and at the same time learn what other pills, he sells or has

Mr. G. H. Miller, late of Brickensville, had requested me to appoint him an agent for Womels-dorf, because he well know the value of the article. April 20th he took of me 4 dozer, and on the 24th inst. he had sold 26 boxes, it being in Womelsdorf, a new article, and bought 2 dozen more.

This statement is similar to the toregoing. To Mr. M'Kinty, one dozen were sent at a ven-ture, perhaps in December. Jan. 25, I left him 2 dozen on commission, and on the 11th inst. he paid me for 7 dozen stating, as do the others, that no incdicine with which he is acquainted has as good

a name and so ready a sale. Peter Kline, Post Master, has sold to a man who has the white swelling, probably near 60, whom I seen, and who states, that no other remedy has rendered him any service, but that this has, and now that he is persoaded to persevere, I am fully persuaded he will entirely recover.

Samuel Heckler, Post Master, sells the other pills, but states, that he finds 4 of these equal to 8 or 9 of them-that tho' he had these less than 4 months. and the others several years, of these he now sells about 10 boxes where he has a call for one of the other sort. He mentioned a woman who has du-ring everal years suffered by the rheumatism, and though other remedies had been invoked, she has not found any benefit, save in the use of these oills.

I would add much general and particular informrtion, but shall defer to a more convenient opporwho are liable to diseases. To the business in hand, the reference, I have paid the attention it seems
