PRILIS Medicine is particularly recommended at this season of the year, as an alterative and a purifier of the blood. It gives a tone and vigor to debilitated constitutions, which invalids are unconscious of until they have experienced its effects.
It is also recommended in Discases where the lungs and breast are supposed to be affected, and also where the constitution is broken down by the use of Mercury or Quinine;

THIS MEDICINE has the singular fortune a just tribute to its great merit, of being reccommended by the most celebrated Practitioners of Medicine in the United States and Europe; whereas not one of the spurious mixtures, made in imitation of it, has the least support from the Medical Faculty. This fact offers an argument so plain and conclusive, that it needs only to be mentioned to enforce conviction. Swalm's Panacea is recommended to all those invalide for whom Physicians prescribe Sarsaparilla Syrups, Extracts, &c.

How you trust to such preperations. "Tis true, they 'kill or cure," and you all then hear of the cures, but never hear of the killed or wounded, or those whose constitutions are completely destroyed and broken down.

Of the North American College of Health. As ap pears by the following circumstances, are fact su perseding the use of all other Fills as a UNIVERSAL REMEDY, for the purification of the blood, and as a consequence, the eradication of DISEASE from the HUMAN SYSTEM.

THOMAS & JAMES BEATTY, AVING been duly appointed County Agent for the sale, in large or small quantities, of the named article, suggest the following as strong pre-sumptive proof, that the claim of this medicine to public confidence, is founded on unquestionable and we believe, unquestionable authority.

Letter from Mr. Camfield, -Travelling Agent for the United States.

Messrs. T. & J. BEATTY. I herewith enclose for your service in the way of advertising, the notice of Stichter & McKnight, successors to Keim & Stichter. Reading, who are agents for Brandreth Pills, and perhaps for others. You will perceive the force of their language, under these circumstances, and my business is to apprise you of the festimony which the gentleman to whom they refer have alrerdy given,—four of them prior to the reterence, and one, Mr. G. H. Miller, since the reference, but without being informed of it by me, or in any manner alluding to it. STICHTER & M'KNGHT, (as successors to Keins

& Suchter, Reading.) having been duly appointed county agents for the excellent and superior medicine above named, are now prepared to supply the demands of former agencies, and will be gratified by the appointment and supply of new ones, on the usual liberal terms. "For the character of these pills, we refer with

confidence, but without asked consent, to the following named gentlemen, who have sold them long enough to know their true value in comparison with any others now in market. Their relative location gives every facility to the inquirer who deserves to obtain, either for sale or use, a first rate article."

To take them in consecutive order, then Mr. C. W. Porter, P. M., Maiden Creek, Jan, 26, took of me on commission, 6 doz. Since that time, he purchased of K. & S. Reading 6 dozen, and on the 4th inst. took 6 dozen of me, stating, that he never had a medicine which brought back so good a report. nor one which had so ready o sale. As he is Post Master, any person can easily and cheaply ascertain whether my veracity can be impeached and at the same time learn what other pills, he sells or has

Mr. G. H. Miller, late of Brickensville, had requested me to appoint him an agent for Womelsdorf, because he well know the value of the article. April 20th he sook of me 4 dozer, and on the 24th first, he had sold 26 boxes, it being in Womelsdorf, new article, and bought 2 dozen more.

This statement is similar to the toregoing. To Mr. M'Kinty, one dozen were sent at a venture, perhaps in December. Jan. 25, 1 left him 2 on commission, and on the 11th inst. be paid me for 7 dozen stating, as do the others, that no medicine with which he is acquainted has as good a name and so ready a sale. Peter Kline, Post Master, has sold to a man who

has the white swelling, probably near 60, whom I seen, and who states, that no other remedy has rendered him any service, but that this has, and now that he is persoaded to persevere, I am fully persuaded he will entirely recover. Samuel Beckler, Post Master, sells the other pills. but states, that he finds 4 of these equal to 8 or 9 of them-that the? he had these less than 4 months, and the others several years, of these he now sells about 10 boxes where he has a call for one of the other sort. He mentioned a woman who has du-

ring everal years suffered by the rheumatism, and though other remedies had been invoked, she has not found any benefit, save in the use of these I would add much general and particular intermrtion, but shall defer to a more convenient opportunity an exposition which must be interesting to all who are liable to diseases. To the business in hand. the reference, I have paid the attention it seems to merit, and I thus leave it with the earnest de-

sire that it may be read with candor, and produce the effect to which truth is always entitled. Respectfully, R. CAMFIELD, Travelling Agt. United States.

Pottsville, May 29 The following named gentlemen compose the list of agents for this county and vicinity, sa far as they are at present received. Other names will be added as agents shall be appointed. T. & J. BEATTY, Pottsville, Daniel Saylor, Schuylkill Haven, Caleb Wheeler, Pinegrove,
