Moffat's Life Pills, and Phœ-

nix Bitters. THE perfectly safe, unerring, and successful treat ment of almost every species of disease by the use of MOFFAT'S LIFE MEDICINES, is no longer a matter of doubt, as a reference to the experience o many thousand patients will satisfactorily prove. Dur-ing the present month alone, nearly one, hundred cases have come to the knowledge of Mr. Moffat, where the patient has, to all appearance, effected a permaneat cure by the exclusive and judicious use of the Life Me-dicines—some eight or ten of these had been consider. ed beyond all hope by their medical attendants. happy results are a source of great pleasure to Mr. M. and inspire him with new confidence to recommend the use of his medicines to his fellow-citizens.

The LIFE MEDICINES are a purely VEGETABLE preparation. They are mild and pleasant in their operation, and at the same time thorough—acting rapidly upon the secretions of the system—carrying off all acri-monious humors, and assimilating with and purifying the plood. For this reason, in aggravated cases of Dyspepsia, the Life Medicines will give relief in a shor ter space of time than any other prescription. In fever and-Ague, Inflammatory Rheumatism, Fevers of every description, Sick Headache, Heart-burn, Dizziness 12 the head, Pairs in the Chest, Flatulency, impaired appetite, and in every disease arising from an imputity of the blood, or a disordered state of the stomach, the use of these Medicines has always proved to be beyond
